### ABOUT US

The foundation of IIMT group of Colleges was laid in the year 1994 by Seven Rotarians under the registered society named "Association of Management studies". Today IIMT stands as the most beautiful & fragrant blossom of Northern India imparting quality education to the students, under the keen guidance of Rotarian Shri Yogesh Mohan Ji Gupta, as its Chairman. Today, the society has five educational Campuses, 15 Colleges & One School Under the IIMT Flagship. IIMT College of Engineering, G.Noida is an integral part of the IIMT Group of Colleges. The college is recognized by AICTE and affiliated to G.B.T.U. Lucknow & M.T.U. Noida.

## ABOUT CONFERENCE

The conference will offer a diverse program and cutting-edge exposition, exploring the intelligent application of Instrumentation & Communication Technology and Engineering to bring a better tomorrow. One will gain an insight into how to leverage technology to help bring about the changes in the present scenario. This will give good ideas and areas on which students and faculty can focus in future for their research and projects. This will also lead to an advanced international conference next year at IIMT, Gr.Noida. An outstanding array of academicians and people from the industry will be featured as keynote speakers and panelists at the conference.

### Original papers related to the following topics are invited:
