

**National Seminar**  
On  
**Role of Entrepreneurship in Indian Economy**

March 27, 2010

**Organized by: IIMT Management College**

**Objectives**

1. Interaction with an enlightened group of intellectuals.
2. Sharing of knowledge and skills.
3. Sharing of ideas between institutions and enterprises.
4. Familiarization with new developments in Entrepreneurship.
5. Exploration of strategies and innovative business ideas in Entrepreneurship in Indian context.

**Importance**

Today the world over, economic growth is being driven by entrepreneurship development. Increasingly the contribution of entrepreneurial ventures is creating job opportunities and optimal usage of the resources. The best of the institutions take pride in the development of this phenomenon. It is a step towards self reliance and thus respect and much needed overall sustainable development.

**Sub Themes:**

- Government Policies in Entrepreneurship Development.
- Challenges/Road Blocks in Entrepreneurial Development.
- Future of Entrepreneurial Ventures.
- Differences/Peculiarities in Indian Context.
- Role of Premier Institutes (Private and Public) in Entrepreneurial Development.
- Rural Entrepreneurship.
- Globalization and Entrepreneurship.
- Role of Technology in Entrepreneurship.

**Future outcome**

The seminar will promote further insights in the field of entrepreneurial development. It will emphasize on the existing bottle necks, gaps and road-blocks in the path of, and strategize remedies for entrepreneurship development in India.
