SESSION 2023-24

Power of Networking for an Entrepreneur (A Guest Lecture)

A guest lecture session on theme “Power of Networking for an Entrepreneur” was organized by the Department of MBA, Dated, April 23, 2024.

The focal objective of the complete session was bringing afrent, the importance of ‘Networking’ In business and self-entrepreneurial related development. In other words, the whole edifice of the role of personal relations was discussed by the guest speaker, Dr. (CS)Vinit Sikka, and how any personal and professional influence, brings a positive effect in the development maxim of any individual and organization concerned. Dr. Sikka, is currently associated as Associate Professor, School of Leadership and Management, Manav Rachna International Institute of Research and Studies, Faridabad.

The whole event was coordinated by Ms. Priyanka Bhayana, Assistant Professor, Dept. of MBA, along with the support of dedicated members of faculty. Altogether 52 students, MBA First Year, participated in this thought-provoking session on entrepreneurship development. The session proved to be an eagerly anticipated and successful endeavor, and an enriching learning experience was gained by the students and member of faculty alike.

Students of MBA 1st year attending the workshop

Fostering Critical Thinking through Spirited Debate (A Business Debate)

The Department of MBA, IIMT College of Engineering, Greater Noida organized a Business Debate Competition on **29th Apr, 2024** from 2:30 PM onwards, at Sarabhai Hall. A total of 16 participants attended the session.

The topic of debate was **“Should Company Boards Create Technical Committee”**. A live debate on the topic brought forward divergent views and examples from industry. The views expressed by the participating members were candidly accepted by the judges and the audience present amid cheers and clapping.

The debate was so lively and interesting that the student’s perspective was equally represented by the speakers or the so-called participating members. A highlight of the Winners of the debate is presented below:

Ayushi Tyagi: Winner of the Debate

Akshat Yadav- 1st runner up

Deepika Bhati- 2nd runner

The aim of organizing debate competition was to hone the public speaking skills of the students and to teach them how to be articulate, while expressing their thoughts and opinions, which goes a long way in the successful making of one’s corporate career.

Inspiring Insights on Empowering Women Through Entrepreneurship

The Department of MBA at IIMT College of Engineering organized a significant event entitled "Empowering Women Through Entrepreneurship." This event was held on Wednesday, May 22, 2024, in the Sarabhai Hall, Engineering Block, Greater Noida. The objective of the said guest lecture session was to equip the MBA students with essential entrepreneurial skills necessary for navigating the complexities of modern business environments. Led by Guest Speaker Dr. Prabhat Kumar Vishwakarma, Professor, the lecture provided valuable insights into fostering entrepreneurial spirit among students. Coordinated under the guidance of Prof. Dr. Ambrish Sharma, HOD

of the MBA Department, and facilitated by Dr. Shivam Agarwal, Associate Professor, the event witnessed enthusiastic participation from 71 MBA students and 4 faculty members. Student coordinators Mr. Divyanshu Gupta and Mr. Akash played pivotal roles in ensuring the smooth organization and success of the lecture.

Learning outcomes of the session were:

1. Enhanced understanding of entrepreneurship's role in empowering women.
2. Practical insights into navigating modern business complexities.

Figure2. Students and Faculties listening deliberately to the Speaker

Connecting Past with Future Through Alumni (An Alumni Connect Event)

The Department of MBA at IIMT College of Engineering organized an Alumni Connect Event on May 31, 2024 under the aegis of "Alumni Cell IIMT,". This 'Alumni Connect' aimed at fostering connectedness and development of networks with the alumni and sharing insights between current students and the professional alumni. Attended by 48 participants, including MBA 1st and 2nd-year students along with faculty members, the event featured an interactive session led by Mr. Vikrant Singh, a Financial Analyst and alumnus. Mr. Singh emphasized the importance of self-confidence, staying updated with technology, and choosing a specialization aligned with personal interests for career success. His talk highlighted key skills such as effective communication, professional demeanor in interviews, and the significance of continuous learning.

The event underscored the value of alumni engagement in enriching student life, providing networking opportunities, and offering practical career advice. It demonstrated how alumni can serve as mentors, offering insights into industry practices and career pathways, thereby equipping students with the knowledge and skills necessary for a successful professional journey. This event helps through:

1. Enhanced career guidance and interview preparation skills through alumni insights.
2. Strengthened networking opportunities and industry connections for current students.

"Building Teams, Managing Conflicts: MBA essentials."

(A Workshop on 'Teambuilding and Conflict Management')

A workshop on 'Team Building and Conflict Management' was organized on Monday, April 18, 2024, under the aegis of the Department of MBA, IIMT College of Engineering, Greater Noida. This workshop aimed at bringing the role of Team-Building in meeting business related goals, and how conflicts should be avoided in organizations, taking the vision and mission of the organization into express consideration. This Workshop was held at Sarabhai Hall, Engineering Block, and the guest speaker for the event was Dr. Shruti Gaur, Assistant Professor, IIMT College of Management. It was a part of the initiative of the IIC Cell of IIMT College of Engineering. As already presented in the preceding lines above, the workshop aimed to equip MBA students with essential insights into business management, particularly focusing on the critical role of HR in navigating today's complex business landscape, where team building and conflict management has its own distinguished role to play.

This workshop was led by Dr. Vivek Kumar, Professor, Department of MBA and coordinator of the program, along with the dedicated members of faculty. The workshop was eagerly anticipated and warmly received by both students and faculty. The event witnessed enthusiastic participation of the MBA students, Batch 2023-2025. Ms. Heenu Gupta, Mr. Himanshu Pandey, Mr. Akshat, Ms. Yashi, and Mr. Vikas, were the student coordinators, of this said workshop. This engagement of the students, ensured the workshop's success in fostering a deeper understanding of team dynamics and conflict resolution strategies essential for future business leaders. Overall, the workshop underscored the department's commitment to practical, experiential learning, empowering students to tackle real-world challenges with confidence and skill.

Preparing Futures through Mock Interview Excellence

(A Mock Interview session)

The Department of MBA at IIMT College of Engineering organized a Mock Interview session on June 12 and 13, 2024, aimed at enhancing the job readiness of MBA 1st year students. Held in Room number 213 of the Engineering block from 01:40 pm onwards, the event witnessed sincere participation of students, along with the members of faculty. Dr. Mukta Joshi, associated with the IIMT College of Management, was the Chief Interview expert and offered her presentation on the necessities of preparedness in cracking high voltage corporate and business interview sessions. This event was coordinated by Ms. Shweta Dubey, Assistant Professor, Department of MBA, IIMT College of Engineering, Greater Noida. Prof. (Dr.) Ambrish Sharma, Head of the Department, spoke on the importance of the session of the 'Mock-Interview' and also provided invaluable practice opportunities for students to refine their interview skills, receive constructive feedback, and develop effective strategies for future job interviews.

Dr. Mukta Joshi's expertise ensured participants received insightful guidance tailored to improve their communication, problem-solving, and presentation skills. Student coordinators, Ms. Deepika Bhati and Ms. Shambhavi Pandey, played a pivotal role in ensuring the smooth execution of the event. The mock interviews not only helped alleviate anxiety and stress associated with real job interviews but also boosted participants' confidence in articulating their strengths and addressing potential weaknesses. This proactive approach not only prepares students for the challenges of the job market but also underscores the department's commitment to holistic professional development and readiness.

The poster for the Mock Interview session features the IIMT College of Engineering Greater Noida logo at the top, with the tagline 'Aim For Excellence'. Below this, a dark blue banner reads 'Department of MBA is Organizing MOCK INTERVIEW'. To the left is a circular portrait of Dr. Mukta Joshi. To the right is an illustration of two people on a green sofa, with the text 'Resource Person' below it. Further down, Dr. Mukta Joshi's name and title, 'Head Training and Placement, IIMT College of Management', are listed. The dates '12th - 13th June, 2024' and time '01:40 to 02:30 PM' are shown with calendar and clock icons. The venue 'Room Number 213, IIMT College of Engineering' is specified. At the bottom, 'Faculty coordinator Ms. Shweta Dubey' is mentioned in a dark blue box. A footer bar contains social media links for IIMT India, Noida, Meerut, and Greater Noida, as well as the group of colleges.

**"Goodbyes are not forever, are not the end; It's the start of some beautiful journey."
Farewell Party (Hasta- La - Vista)**

The farewell party for the MBA Batch 2022-2024 held on Wednesday, 21st June 2024, at Krishna Hall in the New Engineering Block was a momentous occasion organized by the Department of MBA at IIMT College of Engineering. The event aimed to celebrate the successful culmination of the students' MBA journey, recognizing their hard work, dedication, and personal growth throughout their academic tenure. It also provided a platform for fostering professional relationships among students, faculty, and staff, reflecting the strong community spirit cultivated within the institution.

Throughout the evening, attendees enjoyed a series of highlights designed to make the event both memorable and enjoyable. The program began with speeches and farewell addresses delivered by faculty members, administrators, and student coordinators, expressing gratitude and bidding farewell to their peers and mentors. These heartfelt moments were interspersed with cultural performances that showcased the diverse talents within the MBA cohort, adding a touch of entertainment and cultural richness to the proceedings.

Awards and recognitions were also an integral part of the evening, honoring outstanding achievements and contributions made by students, faculty, and staff during their MBA journey. These accolades underscored the academic excellence, leadership qualities, and significant milestones achieved by individuals within the program. Networking opportunities abounded, allowing current students to connect with alumni, faculty, and industry professionals present at the event. Such connections are invaluable as students transition into their professional careers, facilitating mentorship and career guidance beyond the academic setting.

The farewell party was not just about formalities; it also included fun activities like interactive games, photo booths capturing cherished memories, and delightful refreshments, creating a relaxed and celebratory atmosphere. Personalized gestures such as exchanging notes of appreciation and tokens of

remembrance further emphasized the camaraderie and bonds formed during their time together. In essence, the MBA farewell party of Batch 2022-2024 was a fitting tribute to the culmination of an enriching educational journey. It encapsulated the spirit of achievement, camaraderie, and anticipation for future endeavors, marking a poignant transition as students prepare to embark on new chapters in their professional lives.
