EVENT-1

TITLE: - Innovative Ideas for Real Time Problem Solving (IT)
Session 2025–26

Department of Information Technology
A Brief Report of the Event

SCHEDULE OF THE PROGRAM

- **Name of Event** : Innovative Ideas for Real Time Problem Solving (IT)
 - **Name of Department** : Information Technology
 - **Date and Time** : 16th March 2026
 - **Mode of Event** : Offline
-

OBJECTIVES

1. To encourage students to develop innovative solutions for real-time problems.
 2. To enhance analytical and problem-solving skills among students.
 3. To promote creativity and practical thinking in the field of Information Technology.
 4. To provide a platform for students to present their ideas and technical concepts.
 5. To bridge the gap between theoretical knowledge and real-world applications.
-

PROGRAMME OVERVIEW – EVENT REPORT

The Department of Information Technology organized an event titled “**Innovative Ideas for Real Time Problem Solving (IT)**” on 16th March 2026. The event aimed to inspire students to think creatively and develop practical solutions to real-time challenges faced in various domains of technology. Students actively participated in the event by presenting their innovative ideas and project concepts. The presentations covered a wide range of topics including software solutions,

Automation systems and emerging technologies. Participants demonstrated their understanding of real-world problems and proposed feasible and effective solutions.

The event provided an interactive platform where students engaged in discussions, shared knowledge, and received valuable feedback. It also helped in improving their communication, presentation, and critical thinking skills.

Faculty members evaluated the ideas based on originality, feasibility, and technical relevance. The overall participation and enthusiasm of students made the event successful and impactful.

OUTCOME OF THE EVENT

- Students developed a better understanding of real-time problem-solving approaches.
 - Enhanced creativity and innovation skills among participants.
 - Improved confidence in presenting technical ideas.
 - Encouraged teamwork and collaborative learning.

EVENT-2

TITLE: - ALUMNI INTERACTION PROGRAM REPORT Session 2025–26

Department of Information Technology
A Brief Report of the Event

SCHEDULE OF THE PROGRAM

- **Name of Event** : Alumni Interaction Program
 - **Name of Department** : Information Technology
 - **Date and Time** : 17th March 2026
 - **Mode of Event** : Offline
-

OBJECTIVES

1. To connect current students with alumni for guidance and mentorship.
 2. To share industry experiences and career insights with students.
 3. To motivate students through real-life success stories.
 4. To bridge the gap between academic learning and industry expectations.
 5. To strengthen alumni-institution relationships.
-

PROGRAMME OVERVIEW – ALUMNI INTERACTION PROGRAM

The Department of Information Technology organized an **Alumni Interaction Program** on 17th March 2026. The event aimed to create a platform for students to interact with alumni and gain valuable insights into career opportunities, industry trends, and professional growth.

During the session, alumni shared their experiences from academic life to their professional journey. They discussed various aspects such as career planning, skill development, challenges faced in the corporate world, and the importance of continuous learning.

Students actively participated by asking questions related to career choices, higher education, internships, and job opportunities. The interactive nature of the session helped students gain practical knowledge and a clearer understanding of industry expectations.

The alumni also provided useful suggestions on improving technical and soft skills, which are essential for career success. Their guidance proved to be highly beneficial and inspiring for the students.

OUTCOME OF THE EVENT

- Students gained valuable career guidance and industry exposure.
- Improved understanding of required technical and soft skills.
- Strengthened connection between alumni and the institution.
- Motivated students to plan their careers effectively

EVENT-3

TITLE: - IT Startup Journey from Idea to Market
Session 2025–26

Department of Information Technology
A Brief Report of the Event

SCHEDULE OF THE PROGRAM

- **Name of Event** : Alumni Talk on the Topic of “IT Startup Journey from Idea to Market”
 - **Name of Department** : Information Technology
 - **Date and Time** : 17th March 2026
 - **Mode of Event** : Offline
-

OBJECTIVES

1. To provide insights into the journey of building an IT startup from idea to execution.
 2. To inspire students towards entrepreneurship and innovation.
 3. To create awareness about startup ecosystems and market challenges.
 4. To guide students on transforming ideas into successful business models.
 5. To enhance understanding of real-world applications of Information Technology.
-

PROGRAMME OVERVIEW – ALUMNI TALK

The Department of Information Technology organized an **Alumni Talk** on the topic “**IT Startup Journey from Idea to Market**” on 17th March 2026. The session aimed to provide students with practical knowledge about entrepreneurship and the process of building a startup.

During the talk, the alumni speaker shared their personal journey of transforming an innovative idea into a successful IT venture. The discussion covered key stages such as idea generation, market research, product development, funding, marketing strategies, and challenges faced during the startup journey.

The speaker emphasized the importance of perseverance, innovation, and adaptability in the competitive business environment. Valuable insights were also provided on emerging technologies, startup funding opportunities, and the significance of networking.

Students actively engaged in the session by asking questions related to startup challenges, investment opportunities, and skill requirements. The interaction helped students gain clarity on how to convert their ideas into viable business solutions.

OUTCOME OF THE EVENT

- Students gained knowledge about the startup lifecycle from idea to market.
- Increased awareness of entrepreneurship opportunities in IT.
- Motivated students to think innovatively and pursue startup ideas.
- Enhanced understanding of market trends and business strategies.

CREATIVE-

The poster is for an event organized by the Department of Information Technology at IIMT. It features a portrait of Mr. Shivam Tiwari on the left. The text on the right details the event as an 'Alumni Interaction Program' with the topic 'IT Startup Journey From Idea to Market' (Alumni Founder's Story). It lists Mr. Shivam Tiwari as a 'Passout 2023' who worked as a 'Software lence' and 'Web Operations Executive'. The event is held at 'CV RAMAN HALL' on 'Tuesday, 17th March 2026 | 2 PM Onwards'. The website 'www.iimtindia.net' is at the bottom. Logos for IIMT, IIT, and NAAC are at the top.

Event Report

The Department of Information Technology organized a “Google Code Jam” on 1st April 2026. The event focused on improving students’ coding and problem-solving skills.

Students participated actively and solved programming-based questions with great enthusiasm. The competition was conducted smoothly under faculty guidance.

HARSHI MISHRA (3rd Year) secured the 1st position with excellent performance.

SIMRHA (3rd Year) secured the 2st position with excellent performance

VERSHA (2nd Year) secured the 2nd position with excellent performance.

Outcome

The Coding Competition 2026 helped students improve their programming, logical thinking, and problem-solving skills. It encouraged healthy competition and boosted confidence among participants. Students also gained practical exposure to real-time coding challenges and enhanced their technical knowledge.

Event Report

The Department of Information Technology organized a “Coding Competition 2026” on 1st April 2026. The event focused on improving students’ coding and problem-solving skills.

Students participated actively and solved programming-based questions with great enthusiasm. The competition was conducted smoothly under faculty guidance.

SHIVANSHI SHUKLA (3rd Year) secured the 1st position with excellent performance.

SURYA PRAKASH (2nd Year) secured the **2nd position** with excellent performance.

Outcome

The Coding Competition 2026 helped students improve their programming, logical thinking, and problem-solving skills. It encouraged healthy competition and boosted confidence among participants. Students also gained practical exposure to real-time coding challenges and enhanced their technical knowledge.

CREATIVE:

The poster for the Coding Competition 2026 features a background of glowing blue and yellow code snippets. At the top, a banner displays logos for IIMT College of Engineering (IEEE Student Branch), IIMT Ladder Business Foundation, NBA National Board of Accreditation (B.Tech-CSE & ECE), Institution's Innovation Council, and IIMT College of Engineering (Greater Noida). The main text reads: "Department of Information Technology is organizing Club Activity CODING Competition 2026". Below this, an illustration shows a person sitting at a desk with multiple computer monitors, working on a laptop. In the bottom right corner, the event details are listed: "Block A - IT Department", "Wednesday, 1st April 2026", and "11:00 AM Onwards". The website "www.iimtindia.net" and social media icons for Instagram, Facebook, and YouTube are also present.

Event Report

The Department of Information Technology organized a workshop on “**CLOUD COMPUTING**” on 13 April 2026. The event focused on improving students’ coding and problem-solving skills.

Students participated actively and solved programming-based questions with great enthusiasm. The competition was conducted smoothly under faculty guidance.

Outcome

The Coding Competition 2026 helped students improve their programming, logical thinking, and problem-solving skills. It encouraged healthy competition and boosted confidence among participants. Students also gained practical exposure to real-time coding challenges and enhanced their technical knowledge.

TITLE: - ALUMNI INTERACTION PROGRAM
Session 2025–26

Department of Information Technology
A Brief Report of the Event

SCHEDULE OF THE PROGRAM

- **Name of Event** : Alumni Interaction Program
 - **Name of Department** : Information Technology
 - **Date and Time** : 20 April 2026
 - **Mode of Event** : Hybrid Mode
-

OBJECTIVES

1. To connect current students with alumni for guidance and mentorship.
 2. To share industry experiences and career insights with students.
 3. To motivate students through real-life success stories.
 4. To bridge the gap between academic learning and industry expectations.
 5. To strengthen alumni-institution relationships.
-

PROGRAMME OVERVIEW – ALUMNI INTERACTION PROGRAM

The Department of Information Technology organized an **Alumni Interaction Program** on 20 April 2026. The event aimed to create a platform for students to interact with alumni and gain valuable insights into career opportunities, industry trends, and professional growth.

During the session, alumni shared their experiences from academic life to their professional journey. They discussed various aspects such as career planning, skill development, challenges faced in the corporate world, and the importance of continuous learning.

Students actively participated by asking questions related to career choices, higher education, internships, and job opportunities. The interactive nature of the session helped students gain practical knowledge and a clearer understanding of industry expectations.

The alumni also provided useful suggestions on improving technical and soft skills, which are essential for career success. Their guidance proved to be highly beneficial and inspiring for the students.

OUTCOME OF THE EVENT

- Students gained valuable career guidance and industry exposure.
- Improved understanding of required technical and soft skills.
- Strengthened connection between alumni and the institution.
- Motivated students to plan their careers effectively

CREATIVE

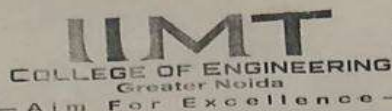

The poster is for an "ALUMNI INTERACTION" event organized by the Department of Information Technology. It features a circular portrait of Mr. Vivek Kumar, a Junior Software Engineer at Logicoy, who is from the Batch of 2022-23. The event is in "HYBRID MODE" and will take place at Sarabhai Hall on Monday, 20th April 2026, starting at 10:00 AM. The poster includes logos for IIMT College of Engineering Greater Noida, NAAC, and the IIMT Alumni Association. At the bottom, there is a website link "www.iimtindia.net" and social media icons for Instagram, Facebook, Twitter, and YouTube.
