Message from the Director's Desk

Dear All,

I am immensely pleased to greet the readers of the Quarterly Newsletter of IIMT College of Law. The College provides the best learning environment for students to achieve their goals. IIMT College of Law molds the students for holistic development along with their academic achievements. Students come forward to actively participate in various activities, with which the confidence level builds among the students. This Edition of the newsletter highlights the activities of JULY-SEPTEMBER 2024, in which students participated and got a chance to shape their personalities with knowledge and creative ideas. Various expert guest lectures acknowledged the students with deeper learning on the various subjects.

In this Quarter of the Year, Legal Aid Activities and Lok Adalat's visit played a crucial role in value addition to the personality of the students. My whole team put in the best of endeavors to make the journey of student learning fruitful in all manners. I convey my Best Wishes to all the students and faculty members of IIMT College of Law and hope that 2024 may add many more feathers to the cap of the College with student teacher efforts.

Prof. Dr. TN Prasad

Internal Faculty Training Program

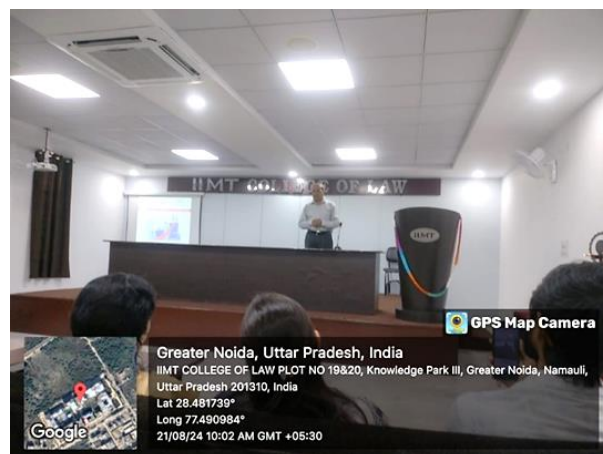

The Internal Faculty Development Program was held at IIMT College of Law on 21 August 2024. The event saw active participation from faculty members. The program commenced with participant registration, followed by an inaugural session marked by the ceremonial lamp lighting.

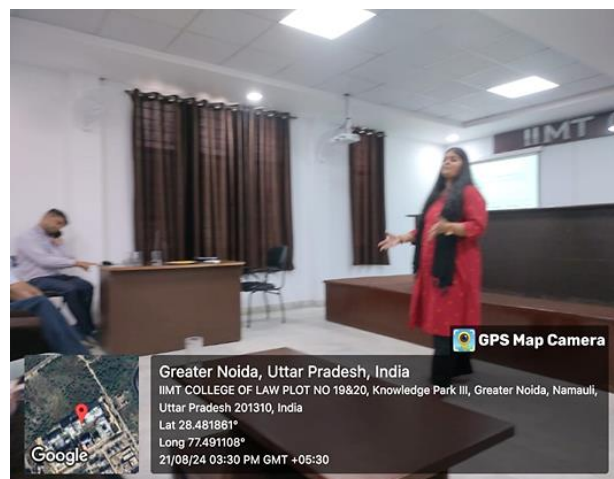

The welcome address was delivered by the Director of IIMT College of Law. He provided all faculties with sufficient information about the organization and the hierarchy of authorities in the IIMT organization. It will help to maintain discipline among the faculties and the respective authorities.

The Dean of IIMT College of Law addressed the faculties in the event about the strategies to manage the classes. He conveyed a motivational message to the faculties that the role of teachers/ professors is to pass on knowledge, foster critical thinking skills, inspire students and parents, serve as role models, and play a role in the holistic development of children. Teachers are also promoters of peace, motivators for pursuing dreams, and builders of communities, thereby influencing society positively.

Dr. KK. Paliwal, Group Director of IIMT Group of Colleges also addressed the faculties present in the training program and gave a very motivational message to the faculty that a law professor has a comprehensive role including lecturing, curriculum development, student assessment, research, and administrative responsibilities. All the faculties who participated in the training program gave presentations of their respective subjects representing their way of teaching and many current legal issues were also discussed among them.

IIMT College of Law organized session on “How To Plan For Start-up & Legal And Ethical Steps.

Our esteemed guest speaker has a wide knowledge in the field of law and academics. The speaker narrated in detail how to identify a problem and gather relevant information and establish a business through this research.

He spoke giving broad idea about initial requirements for start-up registration, providing clarity to the participants regarding different legal compliances and challenges faced by the entrepreneur. The expert lecture provided young entrepreneurs with a clear understanding of the legal and ethical steps required to launch a start-up. It was an incredible opportunity to learn from the guest and set a solid foundation for building a successful business. Starting an ethical business involves inculcating your core values into your business plan.

As you organize and structure your business, one needs to set up a code of ethics that includes standards for business conduct at your company. Entrepreneur should develop policies and procedures to train the human resource available.

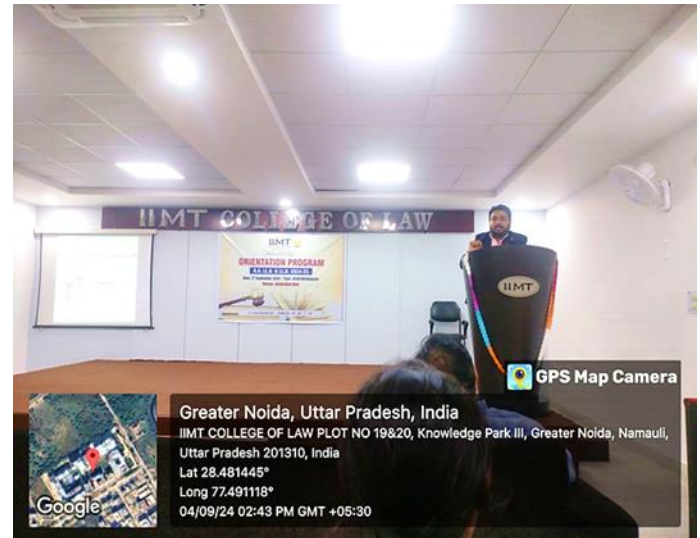

Photo: Guest speaker addressing the audience

He further explained that to ensure that employees realize that they are personally accountable for their actions is the responsibility of the entrepreneur. Business plan includes market analysis, company structure, product description, marketing strategy and financial statements. Employees should be encouraged to ask questions and identify problems without hesitations. The session was highly interesting and motivating as the guest elaborated on his experiences and what are the qualities are required to start and operate a business ethically.

Through this activity students got knowledge regarding the various businesses and their functioning. They studied and understood the requirements and need of the target customers. They highlight how the business plan innovations incorporate innovative ideas, products, or services that differentiate it from existing offerings in the market. This fulfills the objective of the activity that is to encourage and promote the entrepreneurial spirit among students showcasing real-world examples of innovative business ideas and plans.

YOGA CLUB ACTIVITY

A key component of the program is its focus on spiritual growth. By incorporating meditation and mindfulness practices, participants gain insights into their true selves, fostering inner peace and self-awareness. The program encourages a deeper understanding of one's purpose and promotes a balanced, fulfilling life.

The program also aims to instil discipline and encourage a healthy lifestyle, promoting better sleep, nutrition, and positive habits.

Moreover, the program seeks to enhance interpersonal relationships by cultivating empathy and compassion. Long-term benefits include disease prevention and the promotion of longevity, ensuring participants experience a lasting impact on their well-being.

The Yoga Sadhna Program is a comprehensive initiative designed to promote holistic well-being through the ancient practice of yoga. This transformative program integrates various aspects of yoga, including physical postures (asanas), breath control (pranayama), meditation, and ethical principles to support overall health and personal growth.

Participants in the Yoga Sadhna Program embark on a journey to enhance their physical fitness by improving flexibility, strength, and balance. Through a carefully curated series of asanas, individuals develop greater muscle tone, coordination, and endurance. The program also emphasizes the importance of mental clarity, offering techniques to reduce stress and anxiety while enhancing focus and emotional stability. Holistic health is another critical objective of the Yoga Sadhna Program. It supports natural detoxification processes, improves digestion, and boosts the immune system through a combination of physical activity and mindful practices.
