EDITOR'S DESK

EDITOR -IN-CHIEF

We at our institution aim at building young professionals well-equipped with the power of knowledge, skills & ethics. Education is not just about literacy or career building but its that miraculous power which nurtures the mind and soul. Our team of mentors not only guide the students in academic sphere but also lead them towards exploring the multidimensional aspects of their abilities. **SAMVAAD** reflects the vision of overall development of our young minds. Today's Youth is full of energy, curiosity and zeal to set new benchmarks, but to attain the success they need facilitations, opportunities, exposure and right guidance, this is the very objective of IIMT College of Science & Technology. The modern era and current global trends are multidimensional. Hence, We nurture our students in such a manner that they can grow into successful professionals with a perfect balance of technology skills and ethical values.

-Dr.Poonam Pandey (Director IIMT College of Science & Technology)

EDITOR

Life leads towards success when one finds a balance of accepting changes and challenges. Even the roses are combined with thorns and there can be no rains without thundering. So, I would like to wish all the young IIMTIANS great heights and to not be afraid of hardships & hard work as these are the tools of learning and progress.

-Dr Disha Vidyarthi (Assistant. Professor)

Celebrating Independence AZADI KA AMRIT MAHOTSAVA

*“Freedom is the open window through which
pours the Sunlight of the Human spirit and human dignity.”*

-Herbert Hoover

SLOGAN WRITING

Azadi ka Amrit Mahotsav was a week grand celebration launched by honorable Prime Minister Shri Narendra Modi Ji to mark 75 years of Independence. In collaboration with the CCS University IIMT College of Science & Technology celebrated Independence week from August 11, 2022 to August 17, 2022 .The first activity that College planned for students was **Slogan writing Activity**. Main objective of this activity was to start this independence week with full of josh and patriotism. So the theme which was given was Azadi ka Amrit Mahotsav. All the participants wrote slogan in very colourful and effective way. Some students have expressed freedom as a Priceless thing while other remembered that freedom came at the cost of sacrifice of freedom Fighters. One student presented slogan *"kuch Nasha tiranga ke aan ka hai,kuch Nasha shahidon ki shan ka hai ."*

POSTER MAKING

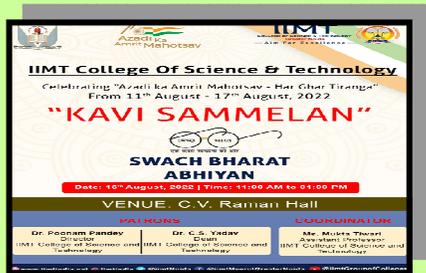

The next activity conducted in Amrit Mahotsava Week was Poster making competition on 12th August 2022. The objective of this activity was to encourage and nurture young mind to think and express with efficiency and embrace leadership roles in future. Students made very colorful and amazing poster depicting the meaning of freedom in an effective way. Some students have drawn picture showing freedom like bird flying from cage while other student's work reflected the role and sacrifice of our brave soldier in keeping our Freedom intact. All the work done by students were amazing and appreciated by all.

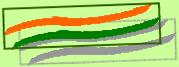

KAVI SAMMELAN

In continuation with celebrating Independence a Kavi Sammelan was also conducted in the Amrit Mahotsava week on 16th August. The theme that was given by the CCS University was Swachata Abhiyaan. All the participants of IIMT College of Science and Technology were very excited for that. Program started at 11 o'clock at Dr.CV Raman Hall. All the participants dressed up according to theme of the event.

Kavi Sammelan started with the poem presentation by B.Ed students Shrishti Singh. She has penned down the emotion of dust bin requesting to use herself by people. Ritu Singh has expressed her view by saying that cleanliness duty is written in our constitution but we don't follow that. So it's a high time to follow all the good thing in our habit and make our country clean and beautiful. Manisha Mishra and Payal Chandila also shared their thought about the given theme. All the poems were soothing humorous, some full of satire while others touched audience's heart and unfurled the emotions. Some poem had great imagination while other had great rhyme scheme. Each poem held something unique and students

ROLE PLAY OF FREEDOM FIGHTERS & CULTURAL EVENT

Azadi ka Amrit Mahotsava on this Independence Day (15th August 2022) All the staff members, faculty members and students enthusiastically contributed in grand festive celebration of Independence Day. On this occasion, the following Guests and the Dignitaries were present: Dr.S.S Tyagi (Honourable Guest-Director IIMT College of Engineering), Dr.Poonam Pandey (Director IIMT College of Science & Technology), Dr. Abhinav Baxi (Director IIMT College of Management), Dr Vibha Singh (Dean B.Com IIMT College of Management) and all the HoDs, Deans & Faculty members of different departments. The programme started with welcoming of the guests by the host (Dr.Disha Vidyarthi), followed by the Saraswati Vandana and Lamp Lighting ritual by the honourable Guest and Dignitaries. Subsequent to it the performances of the Role Play of Freedom Fighters started. All the students beautifully performed in the attire of different freedom fighters and spread the message of patriotism and sacrifice for Mother India. All the participants were highly appreciated by the audience. Below are the glimpses :

Role Play Participants

Monika - Rani Laxmi Bai
Muskan - Begum Hazrat
Priyanka - Kalpana datta
Ritu - Subhash Chandra Bose
Satya - Sarojini Naidu

After the Role Play segment the cultural programme took its flight. B.Ed students elegantly performed on the folk songs representing different states dressed in proper cultural attire. All the performances showed the beauty of India in Unity in Diversity. The participants were decked up in ethnic costumes representing different states and its culture. The event concluded with abundant of appreciation and thunderous claps of the audience. Here are the photographs of the cultural event:

FLAG HOISTING, PRABHAT PHERI & PLANTATION DRIVE

IIMT College of Science & Technology celebrated 75th Azadi ka Amrit Mahotsava on this Independence Day (15th August 2022) All the staff members, faculty members and students enthusiastically contributed in grand festive celebration of Independence Day. The celebration of Independence Day started with the Flag Hoisting and honouring of the Tricolour by the dignitaries, all the faculty members and the students present in the event. Further NCC cadets did the March Past with Tricolour and Faculty members did the Prabhat Pheri with the National Flag. In the next segment of the celebration students gave singing and dance performances on patriotic songs. Towards the conclusion, a plantation drive was conducted in order to spread the message of Unity, brotherhood & love for Motherland. Below are the photos of the Independence Day celebration

HAR GHAR TIRANGA & NUKKAD NA-

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. So all the students of IIMT College of Science and Technology was directed to do this activity near their place they live. Students have shown their enthusiasm and excitement and distributed National flag to those person who are underprivileged . They distributed flag to small kids, Senior citizens hawkers and many more. All the person accepted the Tiranga with pride and gratitude .In addition to the Tricolour distribution students also performed a Nukkad Natak spreading

PAYING TRIBUTE TEACHER'S DAY CELEBRATION 2022

The paths of future are carved and paved today. IIMT truly believe in this concept as the future generation are nurtured today by their teachers & mentors like watering a sapling to convert it into a giant tree. Keeping the valued efforts of great scholars and academicians the college celebrated Teacher's Day 2022 at Krishna Hall IIMT Campus to not only pay tribute to our former President Dr. Sarvapalli Radhakrishnan but also honouring the teachers of the institution. The celebration became more fun-filled as lots of activities like Antakshari, singing, dance performances and motivational speeches by the dignitaries. The event was successfully conducted with the cake cutting ceremony and distribution of appreciation certificates to the employees. Some glimpses of the celebration are showed here:

IIMT College of Science and Technology organized workshop on “Accelerators / Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs” under Institution Innovation council (IIC) on 21st July 2022. The welcome address and opening remarks followed by a brief introduction of the resource person was given by Dr. Vishalli. The interested faculty and students joined the workshop on YouTube. Dr. Pachauri started his address by welcoming all the attendees. He talked about the idea of entrepreneurship and the qualities which are required to become an entrepreneur such as driving force, self confidence and long term involvement. He discussed the importance of priority list for achieving goals and ability to take calculated risk to grow as an entrepreneur. He further added that an entrepreneur should have capability to take initiatives and should know how to efficiently make use of available resources. An entrepreneur should compete with himself/herself to be a better version of him/her. Dr. Pachauri elaborated all these traits by giving relevant examples. He emphasized on the importance of team building, economic values, ethics, integrity and reliability.

On 28th July 2022 the department of B.Sc Computer Science organized an Expert Talk under IIC Cell on **Lean start up & Minimum Viable Product/ Business**. The Resource person was **Dr. Amit Rai (Dean IIMT College of management)** Dr. Rai started his address by welcoming all the attendees. He talked about the different layers of product development and elaborated the idea of product development by considering the example of mobile phones. He emphasized on the importance of delivering the value to the customer and not the waste. He discussed that it is important to keep on adding more value to the product as it will ultimately create a brand value for the company. He further explained that after the product is launched, post sale services become important as it tell whether your product is providing benefits to potential customers or not. He also elaborated that true start up productivity can be measured in terms of symmetrically figuring out the right thing to build every day. He discussed the Build-Experiment-Learn feedback loop. He explained the idea of minimum viable product by giving relevant examples. Dr. Rai concluded the session on the note that sustainability of a product in the market ultimately depends upon the demand and supply chain.

IIMT College of Science and Technology conducted a session on **“Value Proposition Fit & Business Fit”** under Institution Innovation Council (IIC) on 13th August. The Expert of the session was **Mr. Ishan Vidyarthi (Regional Lead, H& M India, Business Tech)**. The welcome address and opening remarks followed by a brief introduction of the resource person was given by Dr. Disha Vidyarthi. Faculty members and students joined the session on YouTube. Mr. Ishan Vidyarthi started his address by officially welcoming all the Attendees. Further Mr. Vidyarthi began the informative session by guiding the young minds about the knack of establishing any business on the basis of appropriate quantification of product value. Mr. Ishan further elaborated as what are the steps of ideating any business and how it can be turned into a successful implementation by well thought mapping of product value. He further explained that value of any product is not just the economical aspect but it also has social, emotional & cultural values associated with it. Mr. Ishan threw light on the business Model Canvas and other relevant terms related to the customer satisfaction, gains & pain of establishing a well sustained product in the market, in this context he gave contemporary examples of Uber, LinkedIn & Flipkart for a better understanding of the participants. The vote of thanks was given by Dr. C.S Yadav (Dean).

IIMT College of Science and Technology conducted a session on **“Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs”** under Institution Innovation Council (IIC). Field Expert of the session was **Mr. Abhai Tiwari, Senior ADAS Engineer, Motherson innovation, Motherson Group**. Mr. Tiwari began the informative session by guiding the young entrepreneurs about venture funding /angel investment for their start ups. He gave brief introduction about the fund collection strategy and utilization of capital funds. He elaborated the different stages in the life cycle of a start up like idea generation, seed stage, growth stage, acceleration stage. He further explained the idea of angel investment and how one can approach angel investor for funding of the start up. He emphasized on the importance of Business plan. Mr. Tiwari further explained the idea of venture capital and suggested the different ways to find a right venture capitalist.

IIMT College of Science and Technology celebrated World Entrepreneur Day. On this occasion a live session on the topic, ‘Role of Innovation in Entrepreneurship’ was conducted on 22nd August 2022. Prof.S.K Mahajan (Retired Scientist CSIR, CEERI Pilani) was the Industry expert to guide the young minds through this knowledgeable session. Faculty members and students joined the session on YouTube. Prof. S K Mahajan started his address by officially welcoming all the Attendees. Further Mr. Mahajan began the informative session by guiding the young entrepreneurs about the significance of innovation in current global scenario. He also discussed that there can be two approaches either buying a technology or creating a new one. Elaborating and proceeding with the session he threw light on the fact that innovation is mandatory to become a successful entrepreneur through developing skills. This will lead to build a space to establish a business with lesser investment and higher benefits, and also giving job opportunities. Prof. Mahajan also shared the tips regarding launch of market driven products and eventually becoming market leaders. He in the end concluded his teachings with the gist that innovation & entrepreneur are interlinked.

Expert Talk ‘Building Institute Level Yukti-National Innovation Repository

IIMT College of Science and Technology conducted a session ‘Building Institute Level Yukti-National Innovation Repository (NIR)’ on 30th August 2022. Faculty members and students joined the session on YouTube. Dr.Shashank Mehrotra started his address by officially welcoming all the Attendees. Further Dr. Mehrotra began the informative session by guiding the students about the concept behind the National Innovation Council and Indian Model of Education. Dr. Shashank threw light on the module of NEP, its features and beneficial factors focusing on developing innovative skills in the students for an inclusive growth. He then explained that students and young entrepreneurs must make improvisations in their learning as per global trends & demands. This inventiveness and lateral thinking will open the doors of successfully establishing innovation into reality. In the last segment of the lecture, Dr Shashank guided the participants that for developing innovative quotient in oneself, one must check the SWOT (Strength Weakness Opportunity & Threat) analysis for having a clear vision about a successful career.

ग्रेटर नोएडा। ग्रेटर नोएडा नॉलेज पार्क स्थित आईआईएमटी कॉलेज समूह में कॉलेज ऑफ पॉलिटेक्निक और कॉलेज ऑफ साइंस एंड टेक्नोलॉजी में ओरिएंटेशन प्रोग्राम का आयोजन किया गया। ओरिएंटेशन- डे के माध्यम से दोनों कॉलेज के छात्रों को शिक्षकों की तरफ से नियमों की जानकारी दी गई।

जीवन में अनुशासन का होना जरूरी

जास, ग्रेटर नोएडा: नॉलेज पार्क स्थित आईआईएमटी कॉलेज में पॉलिटेक्निक छात्रों के लिए ओरिएंटेशन कार्यक्रम का आयोजन किया गया। छात्रों को शिक्षकों की तरफ से नियमों की जानकारी दी गई। मुख्य अतिथि जिला बेसिक शिक्षा अधिकारी एश्वर्या लक्ष्मी ने नए छात्रों के साथ अपने अनुभव

शेयर किए। उन्होंने कहा कि किसी भी छात्र को उसके रीढ़ भेद, नस्ल, भाषा या क्षेत्रीयता को लेकर दिग्गामी नहीं करनी चाहिए, जिससे कि उसके मन को ठेस लगे। कॉलेज आफ साइंस एंड टेक्नोलॉजी की डायरेक्टर डा. पूनम पांडे ने छात्रों से कहा कि जीवन में अनुशासन के बगैर कुछ नहीं है।

आईआईएमटी कॉलेज समूह के दो कॉलेज में ओरिएंटेशन प्रोग्राम का आयोजन

ग्रेटर नोएडा। शहर के नॉलेज पार्क स्थित आईआईएमटी कॉलेज समूह में कॉलेज ऑफ पॉलिटेक्निक और कॉलेज ऑफ साइंस एंड टेक्नोलॉजी में ओरिएंटेशन प्रोग्राम का आयोजन किया गया। ओरिएंटेशन- डे के माध्यम से दोनों कॉलेज के छात्रों को शिक्षकों की तरफ से नियमों की जानकारी दी गई। प्रोग्राम की शुभारंभ सरकारी बसों के साथ हुई। कॉलेज ऑफ पॉलिटेक्निक में मुख्य अतिथि जिला बेसिक शिक्षा अधिकारी एश्वर्या लक्ष्मी ने नए छात्रों के साथ अपने अनुभव शेयर किए। उन्होंने कहा कि किसी भी स्टूडेंट को उसके रीढ़ भेद, नस्ल, भाषा या क्षेत्रीयता को लेकर दिग्गामी नहीं करनी चाहिए, जिससे कि उसके मन को ठेस लगे। कॉलेज ऑफ साइंस एंड टेक्नोलॉजी की डायरेक्टर डॉ. पूनम पांडे ने छात्रों से कहा कि जीवन में अनुशासन के बगैर कुछ नहीं है। प्रोग्राम का आयोजन के दौरान छात्रों को पूरी ध्यानपूर्वक से साथ भर्षाई करनी चाहिए। वहीं कॉलेज ऑफ पॉलिटेक्निक के डायरेक्टर उमेश कुमार ने कहा कि सभी छात्र उसका कि अधिक है उसका प्रयास करें और अपने जीवन को सफल बनाएं, और हम विभिन्न आयुओं के छात्रों के बीच एक साथ रहेंगे और एक साथ ही रहेंगे। उन्होंने नए छात्रों का जामकर स्वागत किया और एक दूसरे के साथ अपने विचार साझा किए।

कोलेज के सभी डॉक्टरेट्स, डीन, एचओडी समेत अनेक शिक्षक मौजूद रहे।

सिंगल प्लास्टिक को काम लायक बनाने का प्रस्तुत किए मॉडल

नई दिल्ली, एप्रेसी
अरे, रुकिए! प्लीज उस प्लास्टिक बैग को कुड़ेदान में न डालें और उस प्लास्टिक को बोलत को भी क्या आपको लगता है कि ये कचरा फेंकने के लिए है? ऐसे सवाल कॉलेज के छात्रों के मन में उठे तो उन्होंने प्लास्टिक कचरे का उपयोग करके आईआईएमटी कॉलेज समूह में कचरे से सबैडिड मॉडल प्रदर्शनी लगाई। इस प्रदर्शनी में छात्रों ने पर्यावरण के अनुकूल

सामग्री, स्वस्थ, स्वच्छता, मॉडल विषय पर बिना खर्च के मॉडल बनाकर लिए। इस प्रदर्शनी में आईआईएमटी कॉलेज ऑफ इंजीनियरिंग, आईआईएमटी कॉलेज ऑफ साइंस एंड टेक्नोलॉजी, लॉ कॉलेज, कॉलेज ऑफ पॉलिटेक्निक और कॉलेज ऑफ मैनेजमेंट के छात्रों ने भाग लिया। यह कार्यक्रम आईआईएमटी कॉलेज से किया गया। छात्रों ने प्लास्टिक से बतौर का उपयोग करके मॉडल बनाए जिन्का उपयोग घर में

सजावट के लिए किया जा सकता है और दूसरी तरफ घर में फर्नीचर के रूप में इस्तेमाल किया जा सकता है। वहीं छात्र सुभाष कुमार ने कहा कि पर्यावरण को बचाने के लिए हमें एक संदेश दिया कि किस प्रकार से प्लास्टिक का फिर से उपयोग किया जा सकता है। प्रदर्शनी को देखने के बाद आईआईएमटी कॉलेज समूह के प्रबंध निदेशक डॉ. मयंक अग्रवाल ने कहा कि हम सभी को प्लास्टिक को टूटने से बचना चाहिए। प्लास्टिक में लाना चाहिए। प्लास्टिक न तो नष्ट

होता है और न ही सड़ता है। प्लास्टिक 500 से 700 साल बाद नष्ट होना शुरू होता है और पूरी तरह से डिग्रेड होने में उसे 1000 साल लग जाते हैं। इसका मतलब यह हुआ जितना भी प्लास्टिक का उत्पादन हुआ है वह अब तक नष्ट नहीं हुआ है। इस मौके पर आईआईएमटी ग्रुप ऑफ कॉलेज के पर्यावरण क्लब के मुख्यालय के सचिव रवि, सविन, अर्पणा, इंदु, अकन से कचरे प्लास्टिक को टूटने से बचना चाहिए। प्लास्टिक में लाना चाहिए। प्लास्टिक न तो नष्ट

Smiles are deceptive,
 because they lead to perspective,
 about person, unknown of his suffering...
 His turbulence to crisis,
 The burden not measured by size,
 Price to his life,
 Unsold to happiness, devastated by time...
 Blossoming flowers,
 Changing season, unending sorrow,
 Claustrophobic to crowd,
 Staying alone bridging vicinity soul...
 A lot of molding,
 He serves himself with scolding,
 To do as people say,
 And keep that smile intact to his face...
 It's tough to convert coal into diamond,
 And a life wishing peace turning cold,
 No more hold over things,
 Nothing left to unfold with misery at my door...
 I close the curtains,
 To find darkness away from the shine,
 A corner to cry,
 Making a way for tears before I put again that
 smile....!

Motivational Quote

“Never let the fear of striking out keep you
 from playing the Game .”

By-Harshit (B.Sc (CS) Ist Yr)

Life is all about uncertainty,
 You will never know what you will get,
 Just keep moving ahead.

By- Hemant Singh (B.Sc (CS) Ist Yr)

Motivational Quote Success

Success is basically a result of your total hardwork.
 So, if you want to succeed in life, you should never
 step back from hard-work and you'll surely reach the
 heights.

Life Experience

Every student's desire comes true in college, and
 the same was true for me. It feels like I am be-
 coming a better person now that I have learned so
 much in a year. It has definitely been a roller
 coaster ride for me; there have been hardships and
 times of joy, and we have shared our meals and
 our sorrows as well. I consider myself really for-
 tunate to have so many kind individuals in my life.
 My mentors helped me make decisions and have
 always guided me down the right path. Now, this
 college has grown to play a significant role in my
 life. It's now truly a home.
