Editor's Desk

There are no obstacles as huge as a human determination ,this is precisely what our Institution has been following to nurture and felicitate the young learners. We emphasize on inclusive development of the students meeting the professional trends at global level. On the onset of 2023,I wish my IIMTIANS a year full of opportunities and abundance of promising horizons where they can rise and shine.

-Dr.Poonam Pandey (Editor-in-Chief)

(Director IIMT College of Science & Technology)

IIMT

Path to Excellence

The objective of the College is to be among the best Teacher Training & Computer Science Institutions, creating extraordinary career driven professionals to cater the need of today's Hi-tech era with high ethical values.

WELCOME

2023

New Beginnings *Orientation & Fresher Party*

B.Sc (CS) Orientation Programme

IIMT College of Science & Technology organized an **Orientation Programme** for the 1st year students of B.Sc (CS) on 26th September 2022. The event was successfully conducted in the presence of the honourable Patrons (Dr.Poonam Pandey, Director IIMT College of Science & Technology & Dr.Chandra Shekhar Yadav, Dean Academics), all the dignitaries, faculty members and all the students. The event was hosted by Dr.Disha Vidyarthi (Assit.Prof. English & Activity Incharge). The Orientation Programme started with the lamp lighting ceremony by the dignitaries and a dance performance on Ganesh Vandana by B.Sc (CS) second year students. Further Dr.Poonam Pandey Ma'am (Director) welcomed the budding talents to IIMT campus and motivated with her inspirational words. After her speech the students of B.Sc (CS) present a welcome song as a warm gesture towards the juniours. In the next segment Dr.Vishalli (HoD B.Sc (CS)), elaborated on the academic proceedings of new session and the code of conduct to be followed by the students. The motivational note and Vote of thanks was offered by Dr.C.S Yadav Sir (Dean). Towards conclusion a Flash Mob activity was conducted by the second year students.

B.Ed Students' Orientation

B.Ed Department of IIMT College of Science and Technology has welcomed all its new admission on 10 November 2022 with full of joy, happiness and affection. All the new admission students were welcomed with tikka and aarti by their senior students. Program was started with lamp lighting. Mukta Tiwari has given overview about college followed by Principal Ma'am has given an overview of the complete syllabus

Fresher Party

A Fresher Party was organized at IIMT College of Science & Technology for the students of B.Sc first year students on 2nd December 2022. All the new bees were given a heartfelt welcome by the senior students. Mr.Karan Rathore and Ms.Surabhi Bhardwaj received the titles of Mr & Ms Fresher.

Academic Activities (Department of B.Sc Computer Science)

Elocution, Technical Quiz & Brainstorming Sessions

Elocution

IIMT College of Science & Technology conducted an Elocution Competition for the students of B.Sc (CS) on 07/10/2022 under **Literary Club**. The theme of the Elocution was **Human Rights and Right to Education**. All the students showed great enthusiasm in participation. The activity was conducted in the presence of respected Dr .Poonam Pandey Ma'am (Director IIMT College of Science & Technology). The candidates expressed their views through well defined speeches and poetry.

Technical Quiz

A Technical Quiz for the students of B.Sc (CS) was conducted on 10th October 2022. Quiz activity was conducted by Ms. Silky (Assistant Professor) and Mr. Kamlesh Ahirwar (Assistant Professor) in the presence of Dr. Disha Vidyarthi (Assistant Professor and Activity Incharge), for the students of 1st year inside the college, in which the students were divided into 4 groups A,B,C and D, and they were verbally asked the questions after displaying the questions on PPT in a sequence, all the four teams participated in this quiz with thrill and enthusiasm. But team B (Harshit , Mayank Mehra, Lokesh, Tejas Mishra, Sumit Khanna, Pintu, Mehak, Prachi) got first position, team D got second and team A got third place.

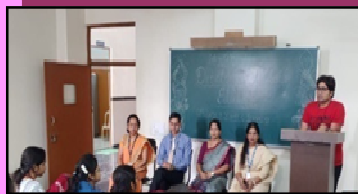

Brainstorming Session

A Brainstorming Session for the III year students of B.Sc (CS) was organized for knowledge enhancement and cerebral progress of the students. The activity was hosted by coordinator (Ms. Silky, Assistant Professor). In this session of Brainstorming Competition, **IoT** Competition was conducted under IIC Cell. All the students of B.Sc (C.S.) III year exhibited great amount of creativity and novel concepts justifying the theme "IoT". The participants also gave brief elaboration on the theme.

Academic Activities (Department of Education) *G.D, Debate, Words of Wit & Expert Talk*

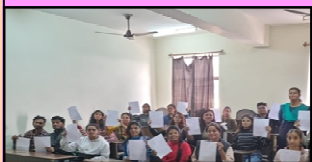

Group Discussion (INCLUSIVE EDUCATION)

A group discussion on the theme 'Inclusive Education' was organized in Department of Education **09th November 2022**. This activity was organized to engage the students in fruitful discussions on Inclusive Education, judging their awareness and enabling them to have a profound and in-depth understanding of Inclusive Education. This activity also gave a chance to the faculty members to listen, know and understand diverse opinions of students on Inclusive Education. The activity started with the speech given by the Director introducing students about the purpose of the activity. After the introduction, the students were invited to give their opinions about Inclusive Education and its relevance to the current education system. The students actively expressed themselves. Disabilities, diverse needs of the learners, equal opportunities and role of the teachers in Inclusive Education were the main topics discussed.

Debate (GANDHI TALIM)

A Debate Session was conducted for the students of Teacher Training on the topic of **"Relevance of Gandhi Talim with the reference of New Education"**. All the students of B.Ed. second year participated enthusiastically. Most of the students expressed their views on the given topic, such as Muskan from B.Ed. second year gave factual information about Nai Talim by Gandhi Ji. Another Student Priyanka presented the main characteristics of NEP 2020. Neha Pathak brilliantly presented not only the main element of both the new and oriental education system, but also compared it with current scenario. Student Satya Singh has done anchoring fabulously.

Words of Wit

A literary activity named 'Word of Wit' was organized on 29th November 2022, at B.Ed Department, IIMT College of Science and Technology. The purpose of this activity was to improve and enhance thinking ability of the students and make them able to use appropriate words at the right time. The students were given a sheet. They were asked to write any name with its definition, draw a picture of it, its antonym and synonym and a sentence using the same word. This activity was very helpful in enhancing cognitive ability of students.

Expert Talk

B.Ed. Department of IIMT College of Science & Technology has organised Guest lecture Session on Date 12 December 2022 in a Online Mode. The topic of this Session was **"The Dilemma of Inclusive Education: Inclusion for Some or Inclusion for All"** and for this the resource person invited was **Dr. Navita Malik, Associate Professor School of Education, Galgotias University, Gr. Noida**. She started her session by explaining the meaning of Inclusive Education along with their differences with Integrated Education and Special Education. She has also pointed out the challenges that comes in Inclusive Class and also explained the precaution/remedies that should be taken during class

IIC (Institution Innovation Council) Sessions Guest Lectures, Workshops & Presentations

Expert Session

A workshop on “My story – Motivational session by successful innovators ”under Institution Innovation council (IIC) was conducted by Computer Science department on 15th November 2022. **Mr. Jaikrishan Gour**, (Managing director of J.J. Waste Solution Pvt. Ltd. Noida), was invited as a resource person for the workshop. Mr Jaykrishan Gour started his session in an energetic way and shared his success journey as well as his struggles, learning and story with the students . Mr Gour gave brief intro of entrepreneurship concept and how vision and dedication to the work can bring success. Mr.Gour deeply elaborated as how to be a visionary, generating a relevant business idea, searching for market needs and how to execute it on ground level .

Guest Lecture

A Guest Lecture on- “My Story- Motivational Session by Successful Entrepreneur/Start-up Founder” was conducted online on 22nd November 2022 Faculty members and students joined the session on YouTube. Resource Person **Mr. Vijay Raj (Capacity Building Trainer)** started his address by officially welcoming all the Attendees. Further Mr. Vijay Raj began the informative session by guiding the young minds about the Start-up and entrepreneurship. Mr. Vijay Raj further elaborated as what are the steps of ideating any Strat-up how it can be turned into a successful. Mr. Vijay Raj threw light on the Start-up Model Canvas.

Workshop

IIMT College of Science and Technology conducted a session on “**Problem Solving and Ideation Workshop**” under Institution Innovation Council (IIC) on 24th November 2022. The welcome address and opening remarks followed by a brief introduction of the resource person was given by Ms. Mehak Bhatia. Faculty members and students joined the session on YouTube. Expert Speaker **Mr. Ayush Vij (Start-Up Founder of Phal Tokari and Pahari House)** started his address by officially welcoming all the Attendees. Further Mr. Vij started off with his introduction and briefed the students about his startups. First he explained the students about his startup Phal Tokri. He further elaborated about the challenges he faced during Covid times and the solutions regarding those problems. Student were highly motivated through his story.

Workshop

IIMT College of Science and Technology conducted a Workshop on, ‘**Entrepreneurship and Innovation as Career Opportunity**’ under IIC Cell on 7th December 2022 The Resource person **Prof. S.K Mahajan (Senior Scientist (Retd.) CEERI Pilani)** very warmly commenced the workshop with motivating and interactive session with the students. Prof.Mahajan briefed the students about how entrepreneurship, start-ups and setting up new ideas can be game changer in today’s fast changing career fronts. He guided the students as how to conceive ideas and transform them into successful business. Mr.Mahajan encouraged the students opting start-ups as major career opportunity. Then he discussed the steps of incubating concepts, getting the funding (Angel Investments etc.), registration and GST concepts.

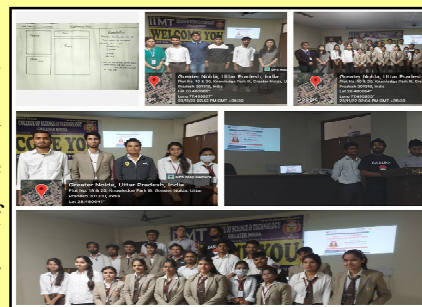

IIC (Institution Innovation Council) Sessions Guest Lectures, Workshops & Presentation

Mentoring Session

IIMT College of Science and Technology conducted a **Mentoring Event: Poster Presentation of Ideas** on 23rd November 2022. The welcome address and opening remarks followed by a brief introduction of Mentor was given by Ms Silky. Further students gave their presentations individually

and in groups as a collective team. Candidates presented their ideas on Technology which they displayed through creative and innovative posters. Each group took 10 minutes to present and explain about the ideas. The whole session was done under the supervision of the Mentor Ms. Mehak Bhatia, who not only judged the brainstorming ideas generated by the students but also guided and showed them the path to turn their innovations into reality. The candidates projected the different ideas on App launching, technology in farming etc.

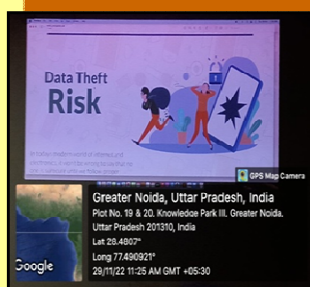

Idea Presentation

IIMT College of Science and Technology conducted an Intra –Institutional Idea competition for the students of

B.sc Computer Science . After the opening address and welcoming the budding talents ,Dr.Disha Vid-yarthi (Convener IIC Cell),greeted the Patron Dr.Poonam Pandey, all the dignitaries and the faculty members. Further the competition started by the idea presentation by the candidates. The participants came one by one and explained their concepts ,innovative ideas through PPTs along with verbal elaborations.

The candidates presented the revolutionary ideas on **organic farming with the inclusion of technology**, **Business idea of storage start-ups solving space management** in fast moving world, **start-up pitch for organic sanitary pads** and many more novel concepts of start-ups. Towards the conclusion after all the pitches and presentation, Dr.Poonam Pandey appreciated the hard-work, efforts ,ideas and execution of all the participants. She also motivated the students by drawing their attention towards not only generating ideas but also to first find the problem areas and then planning a solution for it.

Environmental Awareness & Working with Community Initiatives

Saving Nature (Plastic Model Exhibition)

An Exhibition of "Waste to best Model by using single use plastic" in association with IPCA on 24, September, 2022 in Sarabhai Hall, IIMT College of Engineering. In this exhibition different Models were displayed by students of different colleges of IIMT, Greater Noida. Plastic Model display was an Inter-College Competition between different colleges of IIMT group, Greater Noida. The students made Model beautifully by using single use plastics and other waste materials. The Models include Indian flag, Multipurpose storage box, Vase, Sofa- set, Lamps etc.. The final products were displayed by students with full enthusiasm. A large number of Guests from different NGO's along with Managing Director Dr. Mayank Agarwal, all the Directors and Faculty members of the Institute visited the Exhibition. The innovative ideas and creativity of the students were highly appreciated by one and all. The work of the students was judged and awarded the students with prizes and participation certificates. The objective of this exhibition was to contribute to sustainable plastic management and suggests avenues for future research.

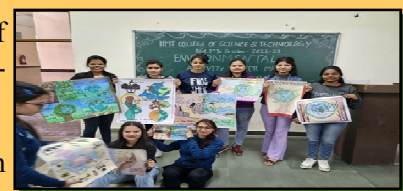

Environmental Drive

Environment Club of IIMT College of Science & Technology has organised three days Environmental Drive from 23rd November 2022 to 25th November. Different activities held during these three days are as follows:

First Day: On 23 November 2022, all the students are instructed to make articles from old, useless or from used things for Best Out of Waste Materials Activity.

Second Day: On 24th November 2022, Poster making activity was done. Theme of the event was 'Save Nature Save Future'. Students have made beautiful and thoughtful posters depicting the problems of earth facing today.

Third Day: On 25th November 2022, to enhance the imagination and creativity in the mind of students, Origami Craft & Envelop making Activity was planned. Students have made beautiful envelopes with decoration of flower pasted on it.

On last day, Awareness rally was taking out for the protection of the environment. The student volunteers carrying posters and banners with slogans underlining the importance of keeping the surrounding neat and clean for leading a healthy life, marched through the main streets of Greater Noida. During this rally students distributed the hand- made paper envelopes to the street vendors to aware them for not using the plastic envelopes

ABHYUDAY 2022

IIMT College of Science and Technology organised **Mega Event Abhyuday 2K22 on 15th And 16th December 2022**. This event was organised in collaboration with sports club and cultural club. As this mega event consisted of sports, cultural and technical activities, it was organised for various aims and objectives, such as development of feeling of unity in diversity, enthusiasm, love for Indian culture, love for sports, cooperation, rational thinking etc. Abhyuday 2k22 was divided into three sections mainly, Sports events, technical events and cultural events. The first day was reserved for sports events and technical events and the second day for cultural

programmes. Almost more than 270 students from different University/colleges from Delhi NCR has participated in Abhyuday 2k22 enthusiastically and won prizes. Name of the participated colleges/universities are DU, Kailash Institute, PIIT, GNIBN, IIMT University Merrut, Training Basket, Metro College, St Thomas etc. In the sports category the entries we received in 100 mt race were 98, relay race 18, Kho Kho 10, Tug of war 15, Lemon Race 20, 3 leg race 26, sack race 14, chess 8, carom 10, ludo 12 and Table tennis there were 4 entries. In cultural events we got 18 entries in solo singing, 26 in solo dance and 6 in group dance. For the technical events we got 12 entries in E. Poster, 6 in E. Business and 28 in E. Quiz.

Chief Guests of the event : Mr Rakesh Kumar Jolly, SSP Meerut

Mr Atul Chaudhary (IRS) SDM Sadar Ankit Kumar & Dr. Mayank Aggarwal (Managing Director IIMT Group of Colleges)

Glimpses of the Event

S

Diwali Celebration 2022

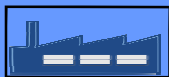

IIMT College of Science And Technology has conducted a Rangoli Making Activity on the eve of Diwali celebration(30th October). All the students participated with great zeal and experienced the festivity. Different groups made splendid rangoli with different material like colour, flowers and burada. All the participants have made beautiful rangoli. All the teaching faculty along with Director Ma'am (Dr.Poonam Pandey) attended, monitored and appreciated students for their effort. Next day, there were activities by the faculty members where all the staff have made rangoli, did wall decoration and attended cultural program. The celebration was full of festive feel and was entertaining indeed.

Celebrating National Innovation Day

IIMT College of Science & Technology organized a Poster Making Competition for the I, II year students of B.Sc (CS). The event was successfully conducted in the presence of the honourable Patrons (Dr.Poonam Pandey, director IIMT College of Science & Technology & Dr.Chandra Shekhar Yadav, President IIC Cell), Dr. Disha Vidyarthi (Convener IIC Cell), all the dignitaries, faculty members and all the students. The activity was hosted by coordinators (Ms. Shivani Sharma, Assistant Professor & Ms Isha Raj, Assistant professor). On the occasion of National Innovation Day, Poster Making Competition was conducted under IIC Cell. All the students of B.Sc (C.S.) I, II year exhibited great amount of creativity and novel concepts justifying the topic **“Technology as a Boon”**. The participants also gave brief speeches on the topic.

Industrial Visits & Tour

IIMT College of Science and Technology conducted an Exposure & Field Visit for Problem Identification on 30th November

The students of B.Sc (CS) visited **DUCAT (Noida, Sec 63)** for field visit and understanding career opportunities, prospects of entrepreneurship, and understanding ground level problem areas. Mrs. Neetu Pant (Operation Manager) started the first session by a brief introduction about company. She shared her experience of IT sector with the young minds and guided

for the idea generation, grasping work force, executing innovation etc. The next session was given by Mr. K.S Walis (Founder and senior trainer of Interview Gyan). This industrial visit was informative, interesting and successful which enhanced the students' knowledge about the job opportunities and entrepreneurship and also how to sort out the problems at the ground level.

Trip to MADHAVGARH

The faculty members of the IIMT College of Science & Technology went on fun tour to MadhavGarh on bagging Employee of the month awards. The tour was sponsored by the Human Resource department of the College. Dr. Chandrashekhar Yadav (Dean), Ms. Indu Jain (HoD, B.Ed Dept.), Dr. Vishalli (HoD B.Sc (CS) Dept.), Dr. Disha Vidyarthi (Assistant Prof. B.Sc (CS) Dept.) & Ms. Mukta Tiwari Assistant Prof. B.Ed Dept.) went on the tour.

Here are some glimpses of the zeal & zest experienced at Madhavgarh on 24th December 2022

Few glimpses of Evolution Expo 2022 held on 20th & 21st December, where young talent from Delhi NCR region exhibited their innovation and winning laptops & tablets as prizes.

As human's, at some point(s) in our life, we will have difficult choices to make. You might not want to make any of them cause the other choice can also hurt you but always choose the choice which saves you in the long run even if people hate you for that, even if they don't understand your reasons, even if they judge you. You can live with other people hating you but you can never live if you hate yourself.

—Ankit (B.Sc.(CS) Third Yr

STUDENT CORNER

In solitude i become myself
not only i touch deep
hidden core of my being
but nourish the whole me
inside out.
I separate every societal dusty layer
from my soul one by one
and disclose the thirst in me
that ask to give meaning
to life on my own ❤️

—Priya Sharma B.Ed First Yr

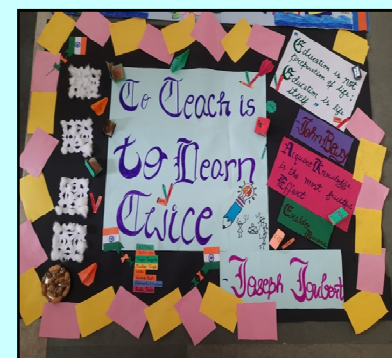

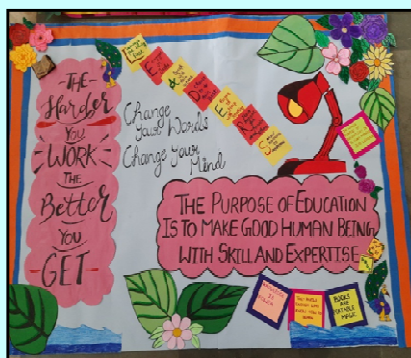

Life changes. You loose love, friends and pieces of your-self that you never imagined would be gone. And then, without you even realizing it, these pieces come back.

New love enters, Better friends come along, and a stronger, wiser you is starring back in the mirror. No matter how bad it gets better days are always waiting, hoping you will make it there to accept the smiles and joy that they're offering.

—Ankit (B.Sc.(CS) Third Yr

MY FATE ; HER DESTINY.
LOST IN DESPAIR .
SHE THOUGHT NO ONE CARED .
I WHISPERED I WILL SAVE YOU .
STUCK IN A PLACE ;
LONELY AND DARK I MADE IT MY GOAL TO SAVE
HER HEART .
WORDS SPOKEN AND ACTIONS SHOWN.
SHE FELT A SECURITY FROM A FORCE UNKNOWN.
UNBEKNOWNST TO HER IT WILL COST ME MY LIFE .
I'D DO THIS AGAIN; MORE THAN TWICE .
FOUGHT BACK THE DARKNESS THAT TRIED TO
CONSUME HER SOUL .
SETTING HER FREE WAS MY ONLY GOAL .
ALTHOUGH I MAY NOT LIVE TO SEE, ME AND HER
AND WHAT WE'D BE .
SAVING HER MEANT MORE THAN ANYTHING.
BROKEN FROM CHAINS THAT BOUND HER , AT LAST
SHE'S FREE .
MY ENERGY DEPLETED.
HER LIFE MATTERED MORE TO ME .
MY FATE ; HER DESTINY.
-RIYA
