### EDITOR'S DESK

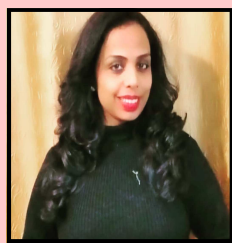

There are no obstacles as huge as a human determination, this is precisely what our Institution has been following to nurture and felicitate the young learners. We emphasize on inclusive development of the students meeting the professional trends at global level. I wish all the IIMTIANS a year full of opportunities and abundance of promising horizons where they can rise and shine.

Editor-in-Chief

Dr. Poonam Pandey

Director IIMT College of Science & Technology)

A life-long learning is a free fall of the conscious spirit, which makes one soar higher. This ideology is appropriately our objective to instill in the students, not just to be a winner but an achiever in all the aspects of their journey. As just growing is not wholesome but proceeding in the right direction.

Editor

Dr. Disha Vidyarthi

Assistant Professor (English Language & Professional Communication)

## NATIONAL SEMINAR 2023

IIMT College of Science & Technology has organized National Seminar on the topic “Challenges and Opportunities in current Educational Trends in context of NEP 2020” on Thursday, 2<sup>nd</sup> March 2023. Seminar started with inaugural programme at 10:00 am, by the Managing Director **Dr. Ma-yank Agarwal (IIMT Group of Colleges)**, **Executive Director Dr. J.K. Sharma (IIMT Group of Colleges)** with lightening of lamp in front of Maa Saraswati Idol. After that Felicitation ceremony was started by honouring all the esteemed Guests with **Tulsi Plant, Shawl and Memento** followed by releasing of Souvenir. In souvenir, around **44** Research Paper & Articles were published from the authors across the Nation like **Punjab, sMaharashtra, Haryana, Bihar, Rajasthan, New Delhi, M.P. and U.P.** Further the overview of the seminar was given by Dr. Disha Vidyarthi, followed by the Inagural speech of Dr. Poonam Panday (Director IIMT College of Science & Technology). In both the Technical sessions all the Speakes addressed the audience and enhance the understanding about the changes in the new policy. They all have given the emphasis of skill development along with the subject knowledge which is also an important point of NEP 2020. Keynote Speaker Dr. Balvantrai jani Sir gave a mesmerizing and thought provoking speech. In his session, he elaborated many points of NEP 2020 to Vedic Education. He motivated the audience to recollect the value of our own Vedic Education. Program ended by vote of thanks by organizing Secretary Dr. C.S. Yadav followed by the National Anthem.

### Chief Guest:

**Prof. (Dr.) Balvant Rai Jani** (Chancellor, Dr. Harisingh Gour Vishvavidyalaya, Sagar, M.P.)

### Guests of Honour:

**Dr. A K Trivedi** (Principal Scientist & I/C Head ICAR-CISH Lucknow)

**Prof. (Dr.) Harish Kumar Tyagi** (Domain Head, Education Department, Amity University, Noida.)

**Dr. Anuradha Aggarwal** (National Coordinator, National Agricultural Higher Education Project (NAHEP), ICAR New Delhi)

## WORKSHOPS

### SIMULATION & MICRO TEACHING

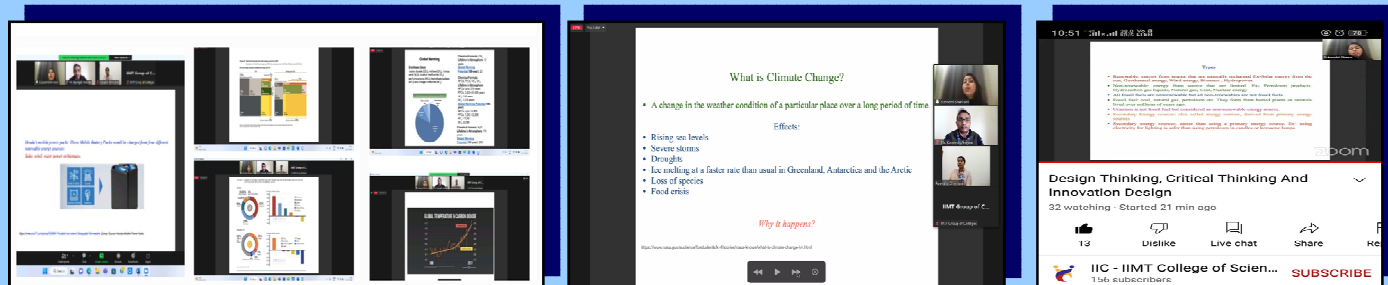

**B.Ed. Department of IIMT College of Science & Technology organised workshop on Effective Pedagogical Approaches (, Simulation and Practice Teaching) from dated 23 January to 11 February.** Micro-Teaching, Simulation and Teaching Practice **Micro-teaching** is the most important part of B.Ed. Syllabus. Total 7 teaching skills are to be practiced in Microteaching session which is mentioned for B.Ed. Syllabus of CCS University. So for both pedagogy subject 14 Microteaching Skill needed to be practiced. After that 5 lesson plan are to be prepared for Simulation session. One day one an overview of all about Microteaching was explained by Dr. Poonam Pandey Ma'am. They were told about concept of microteaching, cycle of micro teaching and all. After that all the 7 teaching skills were explained by the resource person. Along with it, students were also guided regarding the preparation of micro lesson plan based on the concerned teaching skill. All the 7 skills were presented on each day basis. Pupil Teachers prepared their micro lesson plan and presented in front of their peer group. After successfully completion of microteaching session, simulation was started where all the faculties of different pedagogy subject has explained macro lesson plan. There were total five macro lesson plan was needed to be prepared according to university syllabus and all the pupil teacher has prepared and presented that with full of enthusiasm and confidence.

### DESIGN & CRITICAL THINKING

IIMT College of Science and Technology conducted an online workshop on **Design Thinking, Critical Thinking And Innovation Design**. On 25th January 2023. The resource person was **Dr. Suboohi Shervani, Lecturer at**

**University of Ottawa (Canada)** Dr. Suboohi Shervani started the session with the environmental issues and how to resolve with the help of innovation design or use of critical thinking. Dr. Suboohi elaborated on Save earth, Fuel Consuming, Sustainable development in digital era. She is also made the young learners and the attendees aware of global warming its fatal consequences. Further the field expert gave a training session on launching/innovating systems for renewable energy which will be a major step in saving environment and also providing the scope for developing entrepreneurship skills boosting innovation. Near about **100 Students**, faculty & dignitaries collectively attended the workshop. Here the few glimpses of the online workshop.

## ACTIVITIES

### KITE MAKING

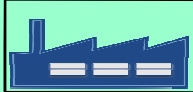

Kite is associated with the feeling of freedom, Festivity, joy and patriotism. To encourage the imagination and creativity of our pupil teacher, Art and Craft Club of B.Ed. Department of IIMT College of Science and Technology has organized Kite making and Decoration Activity on January 17, 2023. Kite also symbolize with Makar Sankranti which we celebrate on 14 January. To make awareness and to connect with our culture, today on the occasion of lohri and Maker Sankranti, this kite making Activity was planned. Instruction regarding Activity was given at the starting of activity. Students demonstrated their creativity and innovativeness while decorating different kite shapes, full of vibrant colours depicting various themes. The pupil teachers explored a variety of mediums like thumb printing, bottle printing, ear bud painting and balloon print etc. on their kites.

### POT DECORATION ACTIVITY

Cultural Club of IIMT College of Science & Technology has organized a Pot decoration activity on 17th March 2023. It was an individual activity where each student has brought his/her own earthen pot and decorated with their choice. Students decorated pot with vivid color and beautiful decorative things. Some students decorated with quill while other decorated with gotta and mirror. At the end of the day, all the articles were depicting their own journey. Student's efforts were appreciated by Principal and all the faculties.

## EXPOSURE VISITS & OUTREACH PROGRAMME

### OUTREACH PROGRAMME

IIMT College of Science & Technology has organized an **outreach program** “**Innovation and Entrepreneurship in School**” **under IIC. On 25th January 2023.** The objective of this program was to learn and promote entrepreneurship skill in education domain so that they can take interest in the investment in education sector and become *Edupreneurs (Entrepreneurs in Education sector)* To understand the scope, challenges and barrier to start a school and how the school run, an outreach program was organized by IIMT College of Science & Technology

with Shaheed Bhagat Singh Inter College, Surajpur Gr. Noida. All the students were welcomed by School Coordinator. He has given a brief about school, school management and other department. Later on he has guided a student to make a tour to different section of the schools like account department, transport department, Registrar office, admin office and faculty room. Account department has explained their role. The students got to know about the responsibilities of an Account Officer which include keeping financial records up-to-date, checking for inaccuracies in invoices, and handling queries on general accounts.

### VISIT TO PRE-INCUBATION UNIT

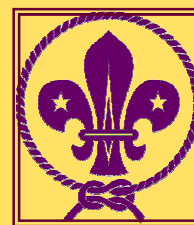

IIMT College of Science and Technology conducted a **Field/Exposure visit to Pre- Incubation Unit on 27th February 2023 to Ladder of Business, Greater Noida**. The basic objective behind this visit was to make the students to understand the concept of Incubation centers, See the facilities provided by such centers, Understand the various prototypes of business models and their operations and change perceptions from seeking job to creating the job. Students team met Mr. Mahajan, Chief Executive officer of the Ladder business centre, discussed the role of Incubation Centre in providing the orientation, training and development, mentoring, getting patent rights, and commercialization of the product etc., He explained many sources for business creation such as production of different reliable and cost efficient products. The centre is established in 5 acres of land has dedicated area with access to shared office infrastructure, Wi-Fi, etc. Library and knowledge centre and digital

## SCOUT & GUIDE CAMP 2023

B.ed department of IIMT College & Science & Technology organized a 5 day Scout & Guide Camp from 27th February to 1st March 2023. The camp was organized under the guidance of **Mr. Mohit Kumar (District Scout & Guide Commissioner and his Assistant Ms. Monica)**. The camp continued for 3 days where students got to learn many new things to cope up with some adverse circumstances. The students were indeed enlightened to learn about different knots, Tent Pitching, First Aid, Pyramids, stretchers making etc. The camp was closed on 1 March 2023 with the investiture ceremony. On the closing ceremony, the students showcased their vivacious talents by displaying variety of Pyramids, Minars and stretchers, Tent Pitching, Cooking variety of dishes in Community Lunch and cultural activities performed by them. They showed a message of Unity in Diversity of India by making colorful tents using bed sheets and dupattas. Tent pitching activity was judged by Dr. Vibha Singh (Dean IIMT College), Dr. Poonam Pandey (Principal B.Ed Dept.) and Mr. Mohit Kumar Sir himself. The students also prepared special food of Punjab, Rajasthan, Haryana, Bihar, Karnataka, Jammu & Kashmir and Maharashtra in community lunch. The evaluators appreciated the combined efforts of the teams and judged them on three criteria's viz; presentation, taste and cooking. The students also reflected the colors of India through dance performance of various states. The programme included Haryanavi dance, Bihari song and dance, Punjabi Giddha, Rajasthani dance and Skit. The cultural activity attained high attention and applause of all the people present over there. The camp was ended with the vote of thanks by Dr. C.S. Yadav (Dean, B.Ed. Department). The camp had good coverage in the Daily Newspapers.

***Glimpses of the CAMP***

ACADEMIC CELEBRATIONS

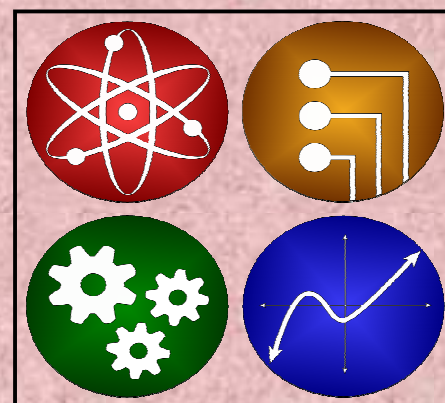

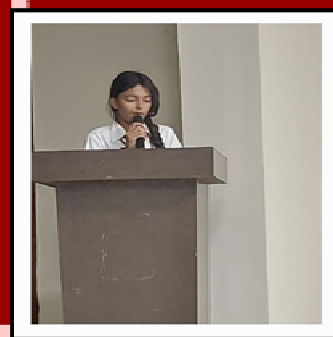

IIMT College of Science and Technology celebrated **National Youth Day** on 12th Janu-

ary 2023 and organized Talent Showcase Event with the Theme: **“Unity in Diversity”**. The welcome address and opening remarks followed by a brief introduction of Swami Vivekanand ji was given by Ms. Mehak Bhatia. Further the students from all the semesters came forward to present their talents. Singing, Solo dance, Group dance, Stand-up Comedy, Poetry, Painting was among the talents showcased by the students with the Theme: **“Unity in Diversity”**.

IMT College of Science  
and Technology cele-  
brated National Science  
Day on 28th February

and organized Debate and Representation of Famous Inventions, Event with the Theme: “Global Science for Global Wellbeing”. the students from all the semesters came forward to present their innovative ideas and great scientific inventions of the contemporary times. Students were motivated to get inspired by Dr. CV. Raman and pursue research and innovation in their spare times. Some of the students gave speech on the Theme: “Global Science for Global Wellbeing”. Few students from first year came in groups and presented their ideas and innovations on Scientific and technological advancements.

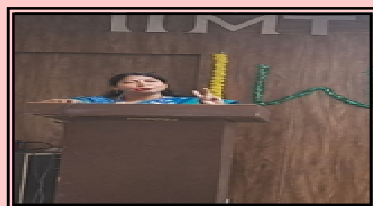

## WOMENS'S DAY CELEBRATION

IIMT College of Science & Technology celebrated Women Day on 15<sup>th</sup> march 2023. Theme of the event was Ramp show of ideal Female Protagonist with whom they take inspiration. Mrs.Mamta Kale a renowned BJP Leader in Delhi Unit & Media Head was invited as the valued Guest Program was started with the Student Priya of (B.Ed Ist year)who enacted Kamla Das , a Poet. **Mrs.Vimlesh Sharma President Village Care Foundation**  
**Mr.Dinesh Bhardwaj, Secretary Village Care Foundation**

## ACHIEVEMENTS

### PLACEMENTS

5 students of B.sc Computer Science final year got placed in OKAYA INFOCOM & BHARTIYA AIRWAYS through Campus Selection.

**Adarsh Singh**

**Mudrit Bhardwaj**

**Deepak Rout**

### ACHIEVERS

Kanak Sharma & Upasna Singh of B.Sc (CS) second year scored 8th and 9th Position in district Marathon on held on 12 January 2023 on the occasion of National Youth Day.

Four students Harshit Singh, Ritik Jha, Rahul Chauhan & Ajay Kumar scored first position in the Inter College Quiz Competition conducted at IIMT College of Pharmacy. All the winners received prize and certificates.

### WINNERS

## शीर्षक- माँ

**STUDENT CORNER**

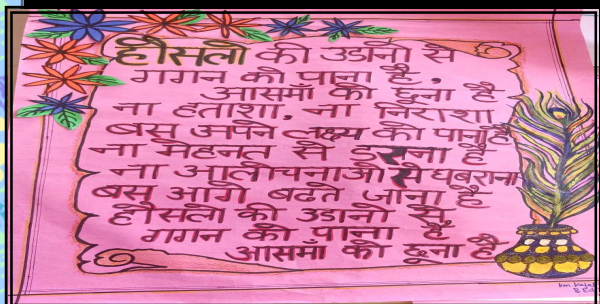

इस दुनिया में सब मैले हैं,  
किस दुनिया से आई माँ।  
दर्द बड़ा हो या छोटा ,  
याद हमेशा आयी माँ।।  
घर में किसी की तकलीफ में ,  
बनी रही परछाई माँ।  
लड़ते लड़ते सहते सहते ,  
रह गयी एक तिहाई माँ।।  
सभी पराये हो जाते हैं  
होती नहीं पराई माँ।  
दूर जब भी तुमसे होती हूँ,  
सच कहो तो अकेले में याद आती हो माँ।।  
हर रिश्ते में मिलावट देखी,  
कच्चे रंगों की सजावट देखी माँ।  
घर को मत बाटों,  
देती रही दुहाई माँ।।  
माँ का प्यार याद आता है,  
प्यार से कही हर बात याद आती है माँ।  
कई दिनों से नही मिला प्यार,  
मुझे हर पल तेरी याद आती है माँ।।  
हजारों फूल चाहिए एक माला बनाने के लिए,  
हजारों दीपक चाहिए एक आरती सजाने के लिए।  
पर माँ अकेली ही काफी है,  
बच्चों की जिंदगी को स्वर्ग बनाने के लिए।।

## शीर्षक-आज की नारी

हे पुरुष अपमान न कर नारी का,  
समाज इन्हीं के बल पर चलता है।  
नारी की कोख से जन्म लेकर भी,  
पुरुष तू इतना क्यों अकड़ता है।।  
मैं आज की नारी हूँ,  
सर्वगुण सम्पन्न कहलाऊंगी।  
पढ़ लिख कर इस संसार में,  
अपना नाम कमाऊंगी।।  
मूर्तियों में कैद नही ,  
खुद कलाकार बन जाऊंगी।  
मेहनत से जग में,  
सम्मान पाकर दिखलाऊंगी।।  
सहनशील चुप्पी तोड़कर,  
हर क्षेत्र में आगे जाऊंगी।  
साहस और शक्ति लेकर,  
पुरुषों से आगे बढ़ जाऊंगी।।  
मैं आज की नारी हूँ,  
सर्वगुण सम्पन्न कहलाऊंगी।  
डरकर नहीं जिऊंगी अब,  
निडर होकर दिखलाऊंगी।।  
लोगों के अत्याचारों को,  
मैं खुद ही अब मिटाऊंगी।  
मैं आज की नारी हूँ,  
सर्वगुण सम्पन्न कहलाऊंगी।  
नारी की शक्ति अपार है,  
मैं संसार को यह बतलाऊंगी।  
मैं आज की नारी हूँ,  
सर्वगुण सम्पन्न कहलाऊंगी।
