## MESSAGE FROM THE PATH MAKER

### THE VISIONARY

**Dr. Mayank Agarwal**

(Managing Director)  
IIMT Group of Colleges

“As we embrace the onset of a new quarter, it is my pleasure to connect with you through our quarterly newsletter, SAMVAAD. This platform serves as a bridge between us, fostering communication and sharing the myriad accomplishments that define the vibrant tapestry of the IIMT community. Reflecting on the past quarter, I am immensely proud of the collective efforts and resilience displayed by our students, faculty, and staff. Despite the challenges posed by the dynamic global landscape, the IIMT community has not only adapted but thrived, setting new benchmarks in academic excellence, research, and extracurricular achievements. The commitment to innovation and continuous improvement is at the heart of IIMT, and I am delighted to witness the remarkable progress made across various disciplines. Our relentless pursuit of academic excellence remains unwavering. I am pleased to share that our faculty members continue to inspire and mentor the next generation of leaders, imparting knowledge and values that extend beyond the classroom. Looking ahead, we are poised for even greater achievements. The upcoming quarter promises exciting developments, including new collaborations, research projects, and initiatives aimed at further enriching the learning experience at IIMT .

### Motivation Mantra

“ **Everything** comes to us that belongs to us ,if we create the **capacity** to **receive it.**”

- RabindraNath Tagore

The vision of the College is to be among the best Teacher Training and Computer Science Institutions, creating extraordinary career driven professionals to cater the need of today's Hi-tech era.

- Boosting multi-faceted development of the students to prepare them for latest trends and professional challenges.
- To create a learner centric environment for the students to be honed in different skills and make them advance in teaching & technology profession with the seamless incorporation of science and arts.
- The College envisions to be center for academic excellence across Nation.

**Hard Work**

**Achievement**

**Success**

**FROM EDITOR'S DESK**

Dear Readers,

With an emphasis on comprehensive development, I'm excited to share with you an overview of the diversified canvas that is our college. This quarter's newsletter encapsulates our common journey, which is marked by high caliber academics, inventiveness, and the unwavering enthusiasm of our instructors and students. We are eager to discuss the successes, great undertakings, and endeavors that have shaped who we are. We are steadfast in our commitment to nurturing talent, expanding knowledge, and enhancing society. I implore you all to engage with the content, share your thoughts, and continue acting as the driving force behind our success. We are happy that you have joined the IIMT family, and we look forward to a prosperous future working together.

**EDITOR-IN-CHIEF**

**Dr. Poonam Pandey**

(Director IIMT College of Science & Technology)

Dear Students & Readers,

In this edition, you will find a diverse range of articles that reflect the talent, dedication, and accomplishments of our students and faculty. From academic achievements to noteworthy extracurricular activities, our newsletter aims to capture the essence of the dynamic and inspiring environment that defines our college. I would like to express my gratitude to all the contributors who have shared their experiences, insights, and expertise. Your contributions play a pivotal role in making our newsletter a reflection of the rich tapestry of our college. To our students, I encourage you to explore the pages of this newsletter and take pride in the collective achievements of our college community. Your enthusiasm and commitment to excellence are truly the driving forces behind the success

Environmental Club

is Celebrating

**ENVIRONMENT DRIVE**

Date: 20<sup>th</sup> - 22<sup>nd</sup> November 2023 | Time: 12:00 PM Onwards

Venue :

IIMT College of Science & Technology

Club Coordinator:

Ms. Indu Jain

Assistant Professor, B.Ed

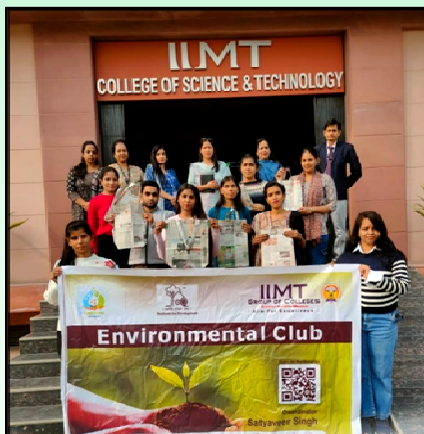

IIMT College of Science & Technology

www.iimtindia.net | Follow Us :

Environment Club of IIMT College of Science & Technology has organized three days' Environment drive from 20<sup>th</sup> to 22<sup>th</sup> November, 2023. On Day 1 (i.e., 20/11/23), paper bag making activity was conducted in which students made paper bags of different sizes by using newspapers, unused papers and handcraft papers. Their efforts were appreciated by all faculty members, dean and director.

**Second day** (i.e., 21/11/23) Drive started with Poster Making activity in which students show their creativity by making beautiful and colourful posters with quotations on them. On same day, students planted small saplings with faculties, Dean and Director. They planted different types of trees like neem, mango, guava etc.

**On third day** (i.e., 22/11/23), street play was organised at alpha commercial belt. Around 15 students eagerly participated and gave an effective presentation in the play. The objective of the play was to create awareness amongst the public, the importance of planting more trees in order to reduce environmental pollution for the survival of animals and mankind. They also highlighted the effects of usage of plastic bags to the public. Street play was followed by the distribution of eco-friendly easily biodegradable paper bags prepared by students on first day of the drive.

## THE IDEA CLUB

Idea Club of IIMT College of Science and Technology organized Coding Combat on **22<sup>nd</sup> Nov, 2023**. The Coding competition was organized for the students to showcase their coding skills by solving programming problems within a set time limit. The welcome address and opening remarks followed by a brief introduction about Coding Combat was given by Ms. Mehak Bhatia. Faculty members and students were seated in the Seminar Hall. Further she explained the rules of the competition and all the aspects of the Competition. Participants in the Coding Combat could compete as individuals and the competition was held in the offline mode. One minute was given for answering each question in the quiz. Participants were evaluated based on factors such time limit and accuracy of their solutions. In the Coding Combat total 52 students participated. Towards the conclusion, winners for the competition were announced. Ms. Megha expressed the gratitude to the students, on the behalf of whole IIC Team for enthusiastically participating in the activity “Coding Combat”. The vote of thanks was given by Ms. Mehak Bhatia. She also expressed her gratitude to Dr. Poonam Pandey(Director), for giving an opportunity to conduct this event.

### Winners of the Competition:

**Position 1: Ankit (3<sup>rd</sup> Year)**

**Position 2: Abdul Rehman,  
Prem (3<sup>rd</sup> Year),**

**Ritu, Prashant, Vishal (2<sup>nd</sup>  
year)**

**Position 3: Himanshu, Rohit  
(2<sup>nd</sup> year)**

The Sports Club of IIMT College of Science and Technology showcased the perfect blend of athleticism and camaraderie during their Sport Smash activity held on December 11th 2023. The highlight of the event was an exhilarating basketball tournament that saw enthusiastic participation from the college's talented student team. With the aim of promoting physical fitness and fostering a sense of community spirit, the Sports Club organized a day filled with intense matches and spirited teamwork. The tournament not only showcased the impressive athletic prowess of the students but also provided a platform for fostering sportsmanship and healthy competition. The event, held at IIMT Sports Court, drew a significant crowd, creating an electric atmosphere as students exhibited their skills on the basketball court. The success of the Sport Smash activity reaffirms the commitment of College in encouraging holistic development through sports and recreational activities.

## Gandhi's Basic Education and its relevance in Modern Education

B.Ed. Department of IIMT College of Science & Technology organized Guest lecture Session on Date 10<sup>th</sup> October 2023 in a Online Mode. The topic of this Session was “Gandhi's Basic Education and its relevance in Modern Education”. Resource person invited for this guest lecture was Mr. Vivek Kumar Tripathi, Assistant Professor Department of Education, Bareilly, Bareilly. He has started his session by giving the basic information about Gandhi's educational experiments in his ashram. Later on he explained in detailed about the main elements of Gandhi's

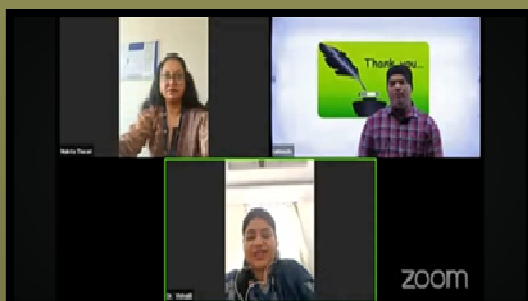

basic education. He explained how the points given in Gandhi's Basic education like practical education instead of theoretical education, teaching based on learning by doing, emphasis on moral values, autonomous status of education institution, emphasis on physical work along with mental work are still relevant in modern time. In Question Answer Session, he has also answered all the queries raised by students. This Session was very knowledge oriented and informative.

## My Story: Motivational Session by Successful Entrepreneur /Startup Founder

IIMT College of Science & technology organized a Live session on the topic My Story: Motivational Session by Successful Entrepreneur /Startup Founder under IIC Activity on 30<sup>th</sup> October 2023. The Resource Person was Mr. Ratnesh Kumar Pandey, Founder & Director, Ranker Educare. Session was started with brief introduction of guest speaker. After that Ms. Ratnesh Pandey has shared his journey of Entrepreneurship, how the idea came in his mind and in what way he developed that idea in to successful business, He also told us the chal-

lenges faced by him and how to overcome on that problems. He advised the students to take failure in a positive way. He also emphasized the use of new technology and how to grow their business with the use of technology. Financial management and Branding & marketing are also very important for the sustainability of any Business. These are the key points which were shared by Mr. Ratnesh Pandey with our young Students. The Session was very enlightening and inspirational for all the attendees.

B.Ed Department of IIMT College of Science & Technology conducted workshop on “**Constructive Approaches in classroom Teaching**”, faculty members and all the students have participated . On the first session of workshop, overall view about constructive approach was given by Principal ma’am. She explained that constructivist teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. Learner makes their own way of learning. She also told them about 5E Model of Constructive approach of teaching. She has explained and illustrated different Lesson Plan following constructive approach of different pedagogy subjects. Students were also explained about the role of teacher in constructive approaches of classroom. In the constructivist model, the students are urged to be actively involved in their own process of learning. The teacher functions more as a facilitator who coaches, mediates, prompts, and helps students develop and assess their understanding, In Second session of workshop , students are given a presentation about their pedagogical subject. It was a knowledgeable and enriching experience for all the participants.

# IIC Regional Meet 2023

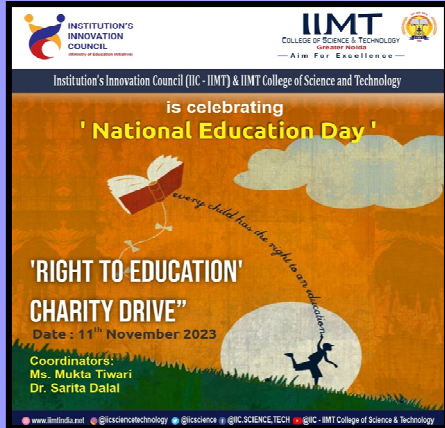

Amity University Uttar Pradesh, Noida Campus organized the prestigious Ministry of Education's Innovation Cell (MIC), Institution Innovation's Council (IIC), Regional Meet, Noida. IIMT College of Science and Technology also participated and attended the Regional meet organized under the flagship of MIC-IIC. Dr.Vishalli (President IIC Cell) and Dr.Disha Vid-yarthi (Convener IIC Cell) attended the event representing the institution and

Regional meets are the flagship programme of Ministry of Education's Innovation Cell (MIC), designed to provide a networking platform for IIC institutions and prospective IIC institutions to celebrate their contribution towards institutionalizing and streamlining their campus innovation ecosystems and leading the innovation movement in Higher Education Institutions. Around 800-1000 participants joined this meet from 300 IIC Institutions, 50 ATL Schools, 50 Non IIC Institutions, more than 20 Regional Ecosystem Enablers, 100 Innovators & Startups, 50 ATL Schools, 50 Experts, Mentors and Policymakers and 10 State and Central Govt Agencies participated in this Regional Meet.

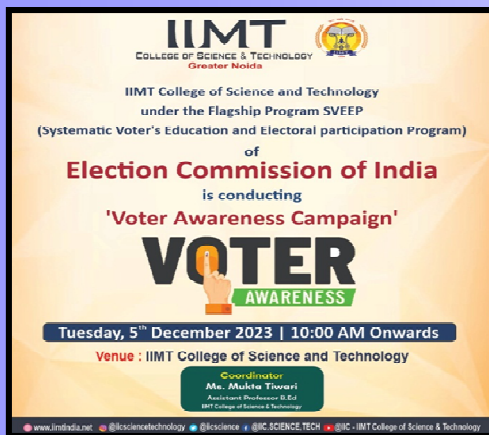

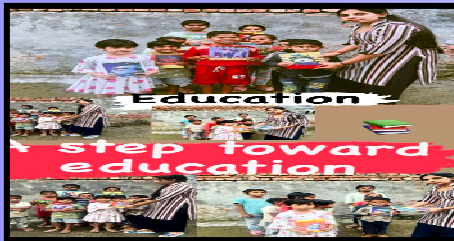

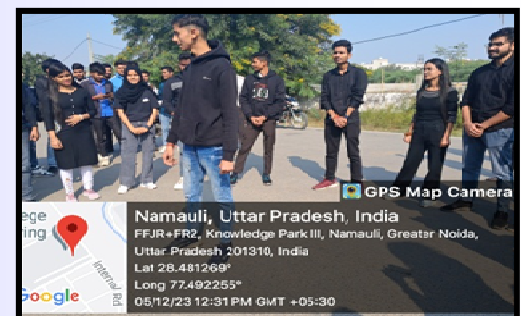

# Social Welfare & Awareness Initiatives

IIMT college of Science And Technology, Greater Noida celebrated **National Education Day on 11<sup>th</sup> November, 2023** to commemorate birth anniversary of the first Education minister of independence India Abdul Kalam Azad. In the drive event, students of IIMT College of Science And Technology donated motivational books, colors and other stationary items to the poor children. Students told the children about the importance of education and made them aware of the right to education.

IIMT college of science and technology conducted Voter Awareness campaign under the flagship of SVEEP Program of Electoral commission of India on 5<sup>th</sup> December 2023. Program was started with welcome and giving Tulshi planter to chief guest Dr. Shailendra Bahadur Singh (Social Welfare Officer) and Ms. Ashish (District Divyang-jan Adhikari) by Mr. Ashish by Dr. K. K. Paliwal (G.D.IIMT Group). He motivated students to make their voter ID as early as possible by filling Form-6. Those people who are disabled can fill Form -8 to get their voter card. After that all the students went to public place in greater Noida in a form of rally and presented Street Play to create awareness. All this program was done in the presence of SVEEP Coordinator Dr. Shalini, Ms Geeta and Ms Vandana and all the faculty mem-
