Speech Competition on HINDI Diwas

Celebrating Hindi Diwas is a momentous occasion that brings forth the rich cultural and linguistic heritage of our nation. On 14th September, students of IIMT College of Science & Technology enthusiastically participated in a speech competition, eloquently defining the relevance of the Hindi language in our diverse society. Their speeches not only highlighted the historical significance of Hindi but also emphasized its

pivotal role in connecting people from various regions. In addition to the speeches, students showcased their creativity through poetry, weaving beautiful verses that celebrated the beauty and versatility of the Hindi language. The event not only served as a platform for linguistic expression but also fostered a deep appreciation for Hindi, reinforcing its importance in our cultural tapestry. In total, 40 students participated in the Speech Competition. Winners were announced at the end of the competition. It was an enriching experience to listen to the deep views of students with their Speech in Hindi. Further honorable Principal Dr. Poonam Pandey Ma'am made all the students pledge that "We all would try to use Hindi as our language for day-to-day work and give it as much respect and pride that it needs" and congratulated the winners (1st-Devyanshi, 2nd-Pintu & 3rd-Damini) who won & participated in the Speech Competition.

GLIMPSES OF IIC SESSIONS, LECTURES & WORKSHOPS

An Institution's Innovation Council (IIC) is a dynamic platform established within educational institutions to foster a culture of innovation and entrepreneurship among students and faculty. These councils play a crucial role in nurturing creativity, problem-solving, and the development of entrepreneurial skills by organizing workshops, seminars, hackathons, and various innovation-related activities. IICs facilitate collaboration between academia and industry, encouraging students to work on real-world projects and startups. IIMT College of Science & Technology also conducted Quarter 4th(July-September) Calendar Activities as per the guidelines of the council. The primary objective of the Innovation & Entrepreneurship Outreach Program is to inspire and educate students and community members about the principles of innovation, entrepreneurship, and problem-solving. By exposing them to real-world examples and interactive activities, the program aims to ignite curiosity, develop essential skills, and encourage participants to explore entrepreneurial opportunities. An Innovation & Entrepreneurship Outreach Program in schools and the community can play a pivotal role in nurturing a culture of innovation and entrepreneurship. The students of IIMT College of Science & Technology from B.Ed & B.Sc (CS) visited AmiChand Inter College, Kasna on 28th August, 2023 for the outreach Program along with faculty coordinators.

The exposure Included hands-on activities like brainstorming sessions, ideation workshops, and design thinking exercises. These activities encourage participants to collaborate, think creatively, and develop innovative solutions to challenges. Facilitate mentorship opportunities by connecting participants with experienced mentors from the entrepreneurial ecosystem.
