DIRECTOR'S MESSAGE

THE POWER OF WORK, WILL & WORDS

Dear Valued Readers !

As we move through another quarter, **Samvaad** stands as a testament to our collective journey—a journey where innovation, resilience, and collaboration shape the path ahead.

At IIMT College of Science and Technology, we don't just teach; we empower. We don't just learn; we grow. This quarter, we've witnessed new ideas transforming into real-world solutions, our students pushing boundaries, and our faculty leading with both wisdom and curiosity.

Let this edition remind us of the power of unity and the endless possibilities we unlock when we work together. The road to progress is never linear, but with every step we take, we get closer to shaping a future we can all be proud of.

Here's to the next chapter of possibilities!

Director

IIMT College of Science & Technology

Editor-In-Chief

EDITOR'S DESK

**'BREAKING THE USUAL
BUILDING THE EXCEPTIONAL'**

Dear Readers, valued Colleagues & Students !

Let's pause for a moment—not to look back, but to look within.

This quarter, like every other, was packed with events, achievements, ideas, and breakthroughs. But what truly matters is how we did it—together, with intention, and with heart.

At IIMT College of Science and Technology, we don't just chase milestones—we create momentum. Whether it's a classroom discussion, a campus event, or a quiet moment of discovery, everything we do is part of a bigger picture: shaping minds that don't just adapt to the future, but lead it.

Samvaad is more than a newsletter. It's our collective voice—unfiltered, vibrant, and evolving. Flip through these pages not just to read, but to feel the pulse of this institution.

Let's keep the spark alive. Let's question more, create more, and connect more.

Dr. Disha Vidyarthi
Assit. Professor

4th NATIONAL SEMINAR

IIMT COLLEGE OF SCIENCE & TECHNOLOGY

Thursday, March 27, 2025

**Rooted in Heritage
Rising with Knowledge**

IIMT College of Science & Technology organized a National Seminar on the theme “**Revolutionizing Education: Integrating Indian Knowledge System with Modern Pedagogy**” on 27th March 2025. The event aimed to explore how ancient Indian wisdom can be meaningfully combined with contemporary teaching practices to enrich today’s education system.

Distinguished speakers and academicians shed light on the relevance of the Indian Knowledge System (IKS), covering areas like Yoga, Vedic mathematics, Ayurveda, and holistic learning. The seminar emphasized aligning traditional values with modern pedagogical tools, in line with the vision of NEP 2020, fostering an inclusive and culturally grounded academic environment.

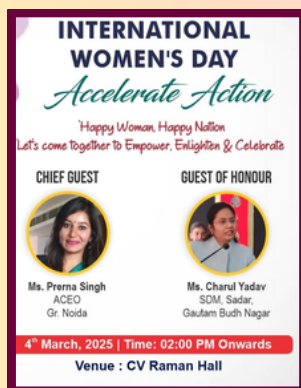

PARMISH VERMA @ MILAN 2K25

The IIMT Group of Colleges, Greater Noida, hosted its much-awaited Grand Alumni Meet – **MILAN 2K25** – on **1st March 2025**, bringing together former students from across batches for a day filled with joy, nostalgia, and unforgettable moments. The campus came alive as alumni reconnected with their peers and mentors, sharing fond memories and reflecting on their journeys since graduation. The event featured engaging activities, cultural performances, and heartwarming conversations that reignited the IIMT spirit. The evening culminated in a spectacular Star Night, where Punjabi rockstar Parmish Verma lit up the stage with his electrifying performance, leaving the audience mesmerized. It was a night to remember—celebrating bonds, achievements, and the ever-growing IIMT family.

She believed she could, so she did

8TH
MARCH

HAPPY,
Women's
DAY

Empowered women empower women

Women's Day Celebration at IIMT College of Science & Technology

IIMT College of Science & Technology celebrated International Women's Day with great enthusiasm on 4th March at C.V. Raman Hall. The event was graced by the esteemed **Chief Guest, IAS Purna Singh, ACEO, Greater Noida Authority**, whose inspiring presence added immense value to the occasion.

The celebration was a vibrant blend of dialogue sharing, motivational experiences, fun-filled music, and joyful moments that truly embraced the spirit of womanhood. Students and faculty members came together to honour the strength, resilience, and achievements of women, making it a memorable day of reflection, celebration, and empowerment.

SCOUT & GUIDE CAMP 2K25

Cultural Diversity

CELEBRATING FOLK AND CULTURAL DIVERSITY

Alongside the training, students enjoyed a colorful celebration of India's cultural richness with traditional dances, regional food stalls, and folk performances. This blend of learning and festivity encouraged unity, respect for diversity, and a stronger sense of togetherness among participants.

SCOUT AND GUIDE TRAINING CAMP: DISCIPLINE AND PATRIOTISM

IIMT College of Science and Technology successfully conducted a Scout and Guide Training Camp for B.Ed. students from 5th to 7th March 2025. The camp instilled values of discipline, leadership, patriotism, and teamwork through a series of structured activities and drills, nurturing responsible and community-oriented future educators.

FACULTY TRAINING PROGRAMME 2K25

To mark the beginning of the academic session, IIMT College of Science and Technology organized a **Faculty Training Programme** from **10th to 13th February 2025**. The initiative aimed at equipping faculty members with innovative pedagogical tools, enhancing teaching-learning strategies, and aligning them with the latest developments in education and technology. Over the course of four days, sessions were conducted on diverse topics such as curriculum planning, outcome-based education, classroom engagement techniques, and the integration of digital tools in teaching. Resource persons and senior academicians shared valuable insights, encouraging interactive discussions and hands-on activities. This training programme not only refreshed the academic vision of the faculty but also fostered collaboration and a renewed commitment to academic excellence, ensuring a dynamic and student-centric learning environment for the upcoming session.

IIMT COLLEGE OF SCIENCE & TECHNOLOGY is organising Four Days Faculty Training Program Under IQAC				
Topics	Date	Time	Speakers	
1. Inaugural Speech	10-02-2025	09:30 - 12:30 PM	Dr. Anurag Joshi (Vice-Chancellor)	
2. Strategies for Building Confidence	10-02-2025	02:00 - 03:30 PM	Dr. Disha Vaidya (Assistant Professor)	
3. Revolution of Disability Studies	11-02-2025	09:30 - 11:30 AM	Ms. Sujat Puri (Assistant Professor)	
4. Programming Using C++	11-02-2025	11:30 - 01:30 PM	Ms. Anurag Joshi (Assistant Professor)	
5. Programming Using C	11-02-2025	02:00 - 03:30 PM	Ms. Disha Vaidya (Assistant Professor)	
6. Computer Network and Cryptography	12-02-2025	09:30 - 11:30 AM	Ms. Mayra Rajput (Assistant Professor)	
7. Fourier Series and its Application	12-02-2025	11:30 - 01:30 PM	Dr. Manoj K. Sahu (Assistant Professor)	
8. Learning Disability	13-02-2025	02:00 - 03:30 PM	Dr. Sarita Datta (Assistant Professor)	
9. Assessment in Personality	13-02-2025	09:30 - 11:30 AM	Ms. Anurag Joshi (Assistant Professor)	
10. Teaching Strategies	13-02-2025	11:30 - 01:30 PM	Ms. Anurag Joshi (Assistant Professor)	
11. Mid-day Meal Scheme	13-02-2025	02:00 - 03:30 PM	Dr. C. S. Yadav (Dean-Sci & Tech)	

Cultural Club

LOHRI Celebration

"On 13th January, the Cultural Club of IIMT College of Science & Technology celebrated Makar Sankranti and Lohri. The Cultural Club's Lohri celebration lit up the campus with warmth and joy, bringing together the spirit of unity, tradition, and festive cheer. In dancing around the bonfire, IIMT family celebrated not just a festival, but the vibrant ethos that binds us all.

Spreading sweetness, joy, and tradition through music, laughter, and festive rituals.

KITE MAKING ACTIVITY

Art & Craft Club of IIMT College of Sci & Tech conducted a fun-filled kite-making activity on 10 January 2025, where students got to craft and fly their kites. A perfect blend of tradition and creativity!

INNOVATION, EXPRESSION & COMMUNICATION

Classroom where learning unfolds

IIMT College of Science and Technology is deeply committed to nurturing student potential by creating a dynamic and engaging learning environment. With a focus on expressive and experiential teaching methods, the college continually strives to enhance understanding, creativity, and critical thinking, ensuring that students not only learn but grow into confident, skilled, and future-ready individuals.

TECH VISIONARIES

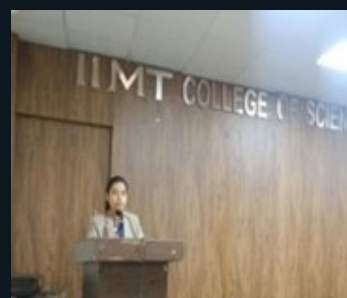

DEBATE SESSION

A GLIMPSE INTO INNOVATION

The Department of B.Sc. Computer Science at IIMT College of Science and Technology, Greater Noida, successfully organized the Tech Visionaries event on 18th February 2025. The event showcased student innovations, tech talks, and creative ideas, celebrating the spirit of technology and forward thinking.

INSIGHTFUL DIALOGUE ON TECH

The Department of B.Sc. Computer Science at IIMT College of Science and Technology, Greater Noida, successfully conducted a Debate Competition on "Technology Advancements" on 25th February 2025. The event witnessed dynamic discussions, sharp arguments, and thoughtful perspectives, reflecting students' critical thinking and awareness of the evolving tech landscape.

OUTREACH PROGRAMME IN SCHOOLS

Bridging Campuses and Classrooms: A Step Towards Future Readiness

"Real learning happens when young minds are encouraged to think beyond textbooks."

On 28th February 2025, students from the Department of Science and Technology at IIMT College of Science and Technology visited Shaheed Bhagat Singh Inter College, Surajpur, Gr. Noida as part of the Innovation & Entrepreneurship Outreach Program. The initiative aimed to ignite curiosity and inspire young minds by introducing them to innovative ideas, entrepreneurial thinking, and hands-on learning experiences. The outreach reflected IIMT's commitment to spreading knowledge beyond the campus and nurturing future innovators.

INCUBATION CENTRE VISIT OF B.SC COMPUTER SCIENCE STUDENTS

**@ IIMT LADDER OF
BUSINESS FOUNDATION**

EXPLORING INNOVATION AT THE INCUBATION CENTRE

On 28th February 2025, B.Sc. Computer Science students from IIMT College of Science and Technology visited the Incubation Centre under the IIC Cell. The visit gave students insights into how innovative ideas are developed and transformed into real solutions.

BOOSTING ENTREPRENEURIAL SKILLS AND VISION

On 28th February 2025, B.Sc. Computer Science students from IIMT College of Science and Technology visited the Incubation Centre under the IIC Cell. The visit gave students insights into how innovative ideas are developed and transformed

INNOVATION CELL
(GOVT. OF INDIA)

Innovation & Entrepreneurship Activities (Jan-March 2025)

From January to March 2025, the IIC Cell of IIMT College of Science and Technology conducted a series of expert sessions, hackathons, and idea showcases focused on innovation, entrepreneurship, and Intellectual Property Rights (IPR). These initiatives aimed to equip students with startup skills, creative thinking, and a deeper understanding of how to turn ideas into impactful ventures. Through interactive discussions and hands-on activities, the sessions equipped students with the skills and vision needed to explore startup opportunities, develop entrepreneurial thinking, and contribute to a growing culture of innovation within the campus.

डॉ. मयंक को साइबर एजुकेशन एंटरप्रेन्योर अवार्ड मिला

गंगानगर। आईआईएमटी ग्रुप ऑफ कॉलेज के प्रबंध निदेशक डॉ. मयंक अग्रवाल को पञ्चर त्रैलम रिसर्च फाउंडेशन की ओर से साइबर एजुकेशन एंटरप्रेन्योर अवार्ड से सम्मानित किया गया है।

साइबर सुरक्षा शिक्षा को बढ़ावा देने और साइबर अपराध के खिलाफ जागरूकता फैलाने के लिए उन्हें यह सम्मान प्रदान किया गया। नई दिल्ली स्थित डॉ. आंबेडकर इंटरनेशनल सेंटर में हुए कार्यक्रम में मुख्य अतिथि आरपीएफ के पूर्व महानिदेशक अरुण कुमार ने अवार्ड दिया।

'साइबर सेफ उत्तर प्रदेश' पहल के माध्यम से जागरूक करने वाले डॉ. मयंक अग्रवाल ने कहा कि हम देश में साइबर सुरक्षा के बुनियादी ढांचे की मजबूती और साइबर शिक्षा को बढ़ावा देने का कार्य कर रहे हैं। संवाद

CREATIVE MINDS

Indian Knowledge System

Education plays a pivotal role in shaping society and nurturing the intellect, creativity, and skills of individual Students. As we move into an era of globalization, technological advances, and cultural exchanges, there is an increasing need to reassess the education systems across the world. In India, the educational system has evolved significantly since independence, yet there is a growing interest in reconnecting with the country's ancient traditions of learning and developing skills, which have been long associated with the Indian Knowledge System (IKS).
