Message from the Visionary

Dr. Mayank Agarwal

**Managing Director
IIMT Group of Colleges**

At IIMT Group of Colleges, we view education as a shared journey one that shapes confidence, character, and clarity of purpose in young people. Our focus remains on creating learning experiences that encourage inquiry, responsibility, and adaptability, enabling students to grow into thoughtful individuals who can respond to real-world challenges with competence and integrity.

As we step into a new year, we carry forward a renewed sense of commitment to nurturing talent, strengthening academic engagement, and expanding opportunities for personal and professional growth. With the collective efforts of our students, faculty, and staff, we look ahead with optimism and determination. I extend my best wishes to the entire IIMT community for a year marked by learning, resilience, and meaningful progress.

Best Wishes!

DIRECTOR'S MESSAGE

Dr.Poonam Pandey

Director
IIMT College of Science & Technology

Dear Readers,

Samvaad is a space where the voices of the IIMT academic community come together. It reflects everyday learning, shared efforts, and moments that shape our campus life. Through these pages, we see ideas taking form. We see students growing, faculty mentoring, and teams working with purpose. At IIMT Group of Colleges, our focus remains on thoughtful teaching and strong academic foundations. We believe in guiding students with care, clarity, and consistency. The coming year will showcase stronger academic initiatives, deeper student engagement, and opportunities that encourage skill development and innovation. As we move forward, our aim is to support students in making confident choices for their future. I extend my warm wishes to the entire IIMT community for a year of growth, balance, and meaningful progress.

Best Wishes!

Editor's Desk

'YOUR TALENT IS THE PROMISE, YOUR HOPE IS THE COURAGE WHEN THEY RISE TOGETHER, EVEN THE ORDINARY BECOMES EXTRAORDINARY.'

Dear Students & Readers,

Every new year arrives with the promise of fresh beginnings and clearer purpose. It reminds us to look back with gratitude and move forward with renewed confidence. *Samvaad* is not just a newsletter. It is a conversation. It captures ideas, achievements, and everyday efforts that shape our academic life. Through its pages, voices are heard, creativity is celebrated, and meaningful work finds its place.

In the coming year, *Samvaad* will continue to reflect the spirit of our institution. It will highlight growth, inspire dialogue, and showcase talent. May the new year motivate us to share more, think deeper, and move forward together with clarity and commitment.

Best Wishes !

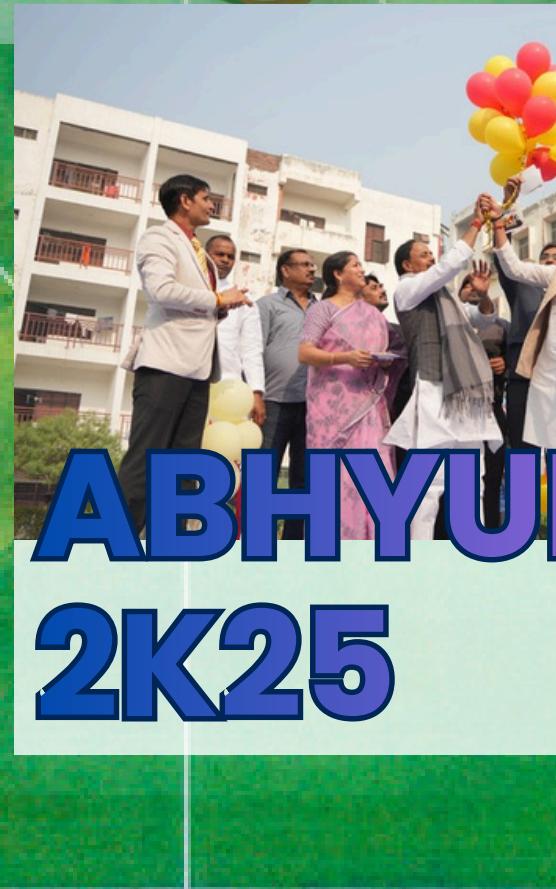

Dr. Disha Vidyarthi
IQAC Head
IIMT College of Science & Technology

IIMT College of Science & Technology successfully hosted its Annual Sports Fest Abyuday 2K25 on 14 November 2025, celebrating the true spirit of sportsmanship and youth energy. The event witnessed enthusiastic participation from over 500 sportspersons representing various colleges across the NCR, making it a vibrant intercollegiate sporting platform.

Abyuday 2K25 showcased remarkable talent and competitive excellence across multiple sports disciplines. Students displayed skill, discipline, teamwork, and determination, turning the campus into a hub of energy and healthy competition. The fest not only promoted physical fitness but also reinforced values of leadership, perseverance, and unity, reflecting the institution's commitment to holistic student development.

Department of B.Sc. CS

INDUSTRIAL VISIT

Uniconverge Technologies Pvt. Ltd.

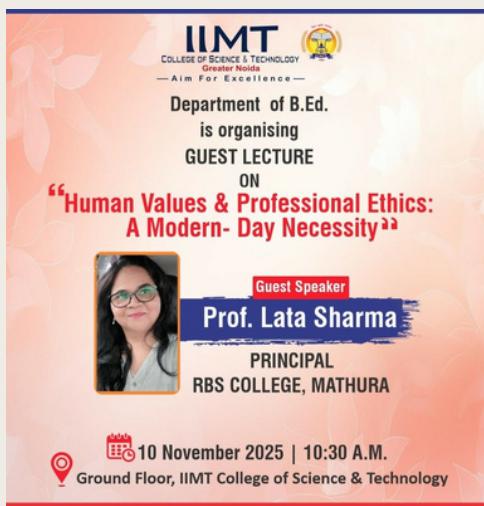

The Department of B.Sc. Computer Science, IIMT College of Science & Technology, Greater Noida, organized an industrial visit to **Uniconverge Technologies Pvt. Ltd.** on 11 November 2025 at Sector 62, Noida. The visit aimed to provide students with practical exposure to real-world industry environments and bridge the gap between academic learning and professional practices. During the visit, students gained valuable insights into industry operations, emerging technologies, and workplace culture. The interaction with industry professionals helped them understand current trends, career expectations, and the application of theoretical concepts in live projects. The visit proved to be an enriching learning experience, reinforcing the department's commitment to experiential learning and career-oriented education.

EXPERT LECTURE

Prof. Lata Sharma Principal, RBS College, Mathura

10TH NOV 2025

Guest Lecture

The Department of B.Ed., IIMT College of Science & Technology, Greater Noida, organized a guest lecture on ***“Human Values & Professional Ethics: A Modern-Day Necessity”*** on **10 November 2025**. The session was delivered by Prof. Lata Sharma, Principal, RBS College, Mathura, an eminent academician known for her insightful perspectives on education and ethics.

The lecture emphasized the growing importance of human values and ethical conduct in personal, professional, and educational spaces. Prof. Sharma highlighted the role of teachers as value-builders and discussed how ethical awareness, integrity, and social responsibility are essential for educators in today's dynamic world. The session was interactive and thought-provoking, leaving a lasting impact on the prospective teachers and reinforcing the institution's commitment to value-based education.

'Zero Waste is more than just a trend.'

The Environment Club of IIMT College of Science & Technology organized an enthusiastic Environment Drive on 10th November. The event featured tree plantation, an awareness rally, and poster-making activities, through which students actively showcased their environmental consciousness and creativity. Participants not only planted saplings to contribute to a greener campus but also raised awareness among peers and the community about sustainable practices. The poster-making activity reflected the students' artistic expression and their commitment to protecting the environment.

The drive successfully instilled a sense of responsibility and collective spirit among students, emphasizing the importance of preserving nature for future generations.

Simple Ways to Reduce Waste:

Get Involved

Join the Movement

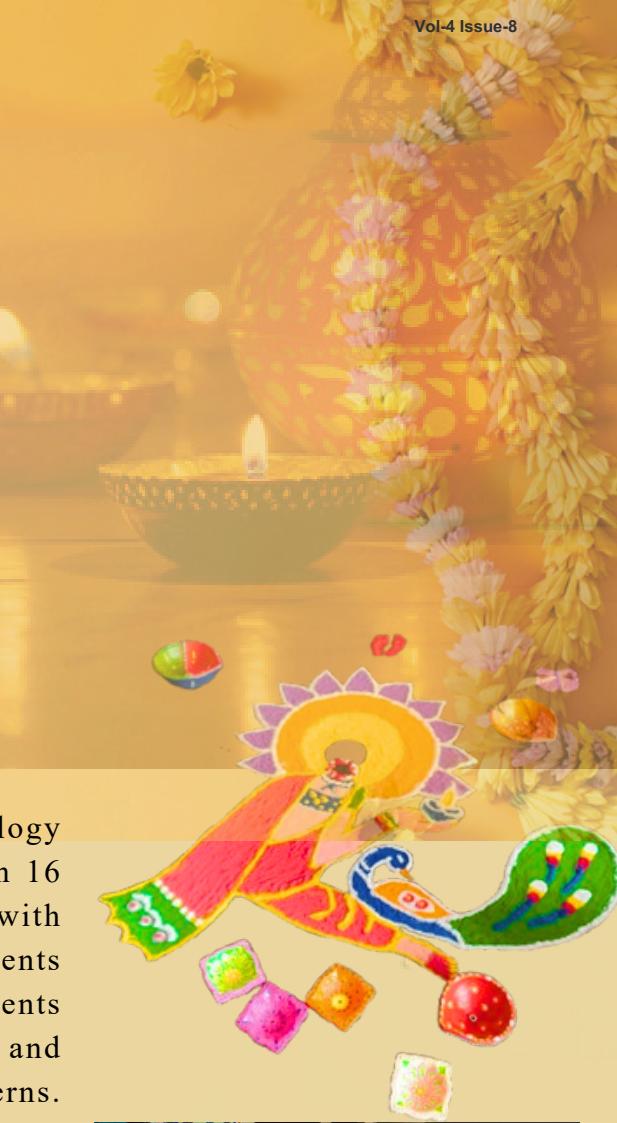

Cultural Club

The Cultural Club of IIMT College of Science & Technology organised *Artist Street*, a Mehndi and Tattoo Making Activity, on 9 October 2025 at the college campus. The event created a lively and creative atmosphere, allowing students to express their artistic talent through intricate mehndi designs and imaginative tattoo art.

Students from various programmes participated with great enthusiasm, presenting a blend of traditional patterns and modern styles. The activity encouraged creativity, peer interaction, and cultural appreciation, adding vibrancy to campus life. Artist Street proved to be an engaging initiative that enriched students' co-curricular experience beyond academics.

Festive Vibes

The Cultural Club of IIMT College of Science & Technology organised a **Diya Decoration and Rangoli Making Activity** on 16 October 2025 at the college campus. The event was conducted with the aim of celebrating Indian traditions while encouraging students to express their creativity and aesthetic sense. Students enthusiastically participated by designing colourful rangolis and decorating diyas using traditional motifs and innovative patterns. The activity created a festive and joyful atmosphere on campus, reflecting the spirit of Indian culture and togetherness. Through this initiative, students not only showcased their artistic skills but also developed appreciation for cultural heritage, making the event a memorable and enriching experience.

Fresher Bash

The Department of B.Sc. (Computer Science), IIMT College of Science & Technology, organised the Fresher Party “Beginners’ Bash – Unleash the Fun” on 7 November 2025 at Swami Vivekanand Hall. The event was planned to warmly welcome the newly admitted students and help them feel comfortable in their new academic environment.

The programme featured lively performances, interactive activities, music, and games, creating an energetic and joyful atmosphere. Senior students actively participated in organising the event, fostering bonding, confidence, and camaraderie among juniors and seniors alike. Beginners’ Bash served as a memorable beginning to campus life, promoting a sense of belonging and enthusiasm among the freshers.

During the quarter of October to December 2025, the IIC Cell of IIMT College of Science and Technology actively organized a range of entrepreneurship-focused activities, including expert sessions, workshops, and innovation challenges, to nurture an entrepreneurial mindset among students. These initiatives provided a vibrant platform for idea sharing, creativity, and skill development. Alongside these efforts, the IIC Cell also celebrated important innovation and entrepreneurship-related days, fostering awareness, collaboration, and a strong culture of innovation across the campus.

OUTREACH

IIC REGIONAL MEET 2025

Mr. Rahul Kannojiya and Mr. Vishal Kumar Purwar, (Assistant Professors) and Innovation & Entrepreneurship Coordinators of IIMT College of Science and Technology, attended the prestigious IIC Regional Meet held on 25 November 2025 at Greater Noida under the Ministry of Education's Innovation Cell (MIC) initiative. Representing the college, they actively participated in the meet and showcased the institution's strong commitment and consistent efforts toward promoting innovation, entrepreneurship, and the vision of Smart India and Skill India.
