# From Chief Editor's Desk

**Prof. (Dr.) Naveen Kumar Sharma**  
**HOD MCA**

**Dear Readers,**

As the **Head of the MCA Department**, I encourage our students to remain dedicated, proactive, and resilient in their academic efforts. The knowledge and skills that are refined during this final stretch of this semester, will play a significant role in shaping your professional and academic growth.

I take this opportunity to convey my heartfelt appreciation to our **faculty members**, whose consistent commitment, academic rigor, and collaborative spirit have been instrumental in the effective delivery of curricular and co-curricular activities throughout this quarter. Your contributions continue to strengthen the department's academic environment.

I would also like to extend a warm welcome to our **newly admitted MCA and BCA first-year students**. As you begin this important phase of your academic journey, we wish you meaningful learning experiences, intellectual growth, and success in all your endeavors. We are proud to have you in our institution and look forward to your active participation and achievements.

I encourage our **MCA second-year students** to remain focused and determined as they move toward the completion of their academic program, making the most of this crucial phase to strengthen their skills and career readiness.

As the autumn season sets in, may this quarter bring renewed enthusiasm, clarity of goals, and productive outcomes for everyone. I wish you all continued progress, good health, and success in the months ahead.

**Prof. (Dr.) Naveen Kumar Sharma**

# NATIONAL ENTREPRENEURSHIP DAY

The Department of MCA successfully organized National Entrepreneurship Day to inspire students toward innovation, leadership, and entrepreneurial thinking. The session featured Mr. Steven David, Assistant Professor, NIET Greater Noida, who shared valuable insights on entrepreneurship, career growth, and the importance of creativity in today's competitive world. The event encouraged students to explore new ideas, develop problem-solving skills, and cultivate an entrepreneurial mindset essential for future success.

The event commenced with a warm welcome address by Prof. (Dr.) N. K. Sharma, Head of the Department (MCA), who encouraged students to think innovatively, take initiative, and pursue their goals with dedication and determination. The address highlighted the importance of entrepreneurship, introduced participants to the institutional academic ecosystem, and emphasized the role of entrepreneurial skills and opportunities in shaping successful professional journeys. The session inspired students to believe in their ideas, embrace challenges, and view entrepreneurship as a pathway to innovation and self-reliance.

# GUEST LECTURE

## DATA SCIENCE & AI TOOLS FOR ENTREPRENEURSHIP

The Department of MCA organized a **Guest Lecture** on “**Data Science & AI Tools for Entrepreneurs**” on **24th November 2025** at **Sarabhai Hall**. The session was delivered by Mr. Sonu Prakash, Founder & CEO, **Appwars Technologies**, who shared practical insights on how data science and artificial intelligence can drive innovation and support entrepreneurial decision-making. The lecture highlighted the role of emerging AI tools in business growth, problem-solving, and startup success, inspiring students to explore technology-driven entrepreneurial opportunities.

The programme began with an inspiring welcome address by Prof. (Dr.) N. K. Sharma, Head of the Department (MCA), who motivated the students to adopt innovative thinking, show initiative, and remain committed to their aspirations

# GUEST LECTURE

## EXPERIENCE SHARING AS SUCCESSFUL ENTREPRENEUR

The Institution's Innovation Council (IIC) in association with the Department of MCA organized an engaging Guest Lecture on “Experience Sharing as a Successful Entrepreneur” on 25th November 2025 at Lecture Theatre, Room No. 216, Block A. The session was delivered by **Mr. Aritra Chakraborty**, Managing Director, **Triostack Technologies Private Limited**.

The lecture aimed to expose students to real-world entrepreneurial experiences, challenges, and success strategies. Mr. Chakraborty shared valuable insights into startup journeys, leadership, innovation, and the importance of adaptability in the dynamic business environment. He emphasized how technological expertise and problem-solving skills play a vital role in building successful enterprises.

The session was interactive and motivating, allowing students to engage with the speaker and gain practical perspectives on entrepreneurship. Overall, the guest lecture proved to be an enriching experience.
