IIMT IN NEWS

## FROM THE DIRECTOR'S DESK

It gives me immense pleasure to extend my sincere appreciation to the team behind the launch of our college-level newsletter at IIMT College of Management. This initiative reflects dedication, creativity, and a strong commitment to fostering effective academic communication within the institution. Such efforts are instrumental in strengthening our institutional framework and highlight our continuous pursuit of excellence through innovative teaching methodologies and progressive academic practices. This newsletter serves as a meaningful platform to connect our students, faculty, and stakeholders, while showcasing the intellectual vibrancy of our campus.

At IIMT, our vision remains focused on building a more robust and student-centric academic ecosystem that nurtures holistic development and learner success. We are also actively working towards expanding our academic and institutional collaborations at both national and international levels. These partnerships will enable our students to gain global exposure, benefit from diverse perspectives, and engage with best practices across disciplines. During this academic quarter, the institution has successfully organized a wide range of conferences, workshops, seminars, and training programs across disciplines such as management, media, business, and technology. We were honored to host eminent academicians and industry experts from reputed institutions in India and abroad. Their valuable insights have greatly enriched the academic experience of our students and contributed to their professional growth.

As Swami Vivekananda rightly said, “Truth can be stated in a thousand different ways, yet each one can be true.” At IIMT, we strive to impart an education that builds character, strengthens intellect, and empowers students to become confident and responsible individuals. This newsletter highlights the dynamic academic and co-curricular engagements of our BBA, BJMC, B.Com, and BCA departments. It stands as a reflection of our collective achievements and ongoing efforts toward academic excellence.

I hope you find this edition insightful and engaging. We warmly welcome your valuable feedback and suggestions, as collaboration and shared vision are essential for achieving greater milestones and sustaining institutional growth.

Let us continue to move forward together on the path of innovation, excellence, and meaningful learning at IIMT College of Management.

**Prof. (Dr.) Harshit Sinha**  
**Dy Director General and Director IIMT College of Management**

## FROM THE CHIEF EDITOR DESK

Manthan – IIMT College of Management

It is a matter of great pleasure to present the January to March edition of Manthan, the biannual newsletter of IIMT College of Management. This issue, like its predecessors, reflects our institution's unwavering commitment to academic excellence, innovation, and holistic development.

Since its inception, Manthan has grown into a dynamic platform that brings together students, faculty, and the academic community through the exchange of ideas, knowledge, and creative expression. This edition offers a comprehensive glimpse into the wide range of academic, co-curricular, and cultural initiatives undertaken during the quarter, including seminars, workshops, guest lectures, training programs, and significant student accomplishments. These activities collectively highlight the vibrant and intellectually stimulating environment that defines our campus.

Over time, Manthan has transformed into more than just a publication; it stands as a reflection of our collective voice—celebrating innovation, fostering meaningful dialogue, and documenting the journey of growth and achievement within our institution. Every page embodies the spirit of collaboration, dedication, and our shared pursuit of excellence.

I extend my heartfelt gratitude to the editorial team, faculty members, students, and all contributors whose dedication and creativity have brought this issue to fruition. Their continued efforts play a vital role in enriching the quality and vision of Manthan.

I hope this edition proves to be insightful, engaging, and inspiring for all our readers. We look forward to your valuable feedback and suggestions as we continue to strengthen Manthan as a true reflection of academic life at IIMT College of Management.

## Swalakshya 2026: A Celebration of Talent, Creativity, and Spirit

Swalakshya 2026 at IIMT Group of Colleges, Greater Noida, emerged as a vibrant platform that brought together talent, enthusiasm, and creativity from across departments, with remarkable participation from the BJMC students. The event was a perfect blend of cultural expression, intellectual engagement, and competitive spirit. A wide range of competitions were organized to showcase diverse talents. The cultural segment lit up the atmosphere with energetic dance performances and melodious singing competitions, where students captivated the

audience with their confidence and artistic flair. Alongside, literary competitions provided a stage for young minds to express their thoughts, creativity, and command over language through writing and speaking activities. The event also featured engaging activities like chess competitions, encouraging strategic thinking and focus, as well as various sports events that highlighted teamwork, determination, and physical excellence. One of the major attractions was the creative segment, where students

demonstrated their skills through designing, photography, and other media-related competitions, reflecting the innovative spirit of the BJMC department. Swalakshya 2026 was not just about

## Celebrity Spotlight: The Inspiring Presence of MB Chai Wala at Borderless Bharat

The vibrant stage of the Borderless Bharat Conclave at IIMT Group of Colleges was further illuminated by the inspiring presence of renowned entrepreneur and youth icon Prafull Billore, popularly known as MBA Chai Wala. Known for transforming a humble tea stall into one of India's most recognized youth-driven brands, his remarkable journey stands as a symbol of resilience, innovation, and self-made success.

His presence added a unique energy and excitement to the conclave, as students witnessed not merely a successful entrepreneur, but a living example of determination, risk-taking, and visionary leadership. Through his story, he demonstrated that success is not defined by conventional paths, but by courage, consistency, and the willingness to turn challenges into opportunities.

With his grounded personality and motivating words, he encouraged students to believe in their ideas, embrace failures as lessons, and break barriers created by fear and limitations. He inspired young minds to think independently, take initiative, and create opportunities rather than waiting for them. His

message deeply resonated with aspiring entrepreneurs and future professionals present at the event.

## **IIMT Journalism Department Hosts Insightful Guest Lecture on Indian Knowledge System**

The Department of Journalism and Mass Communication at IIMT College of Management successfully organized a Guest Lecture on Indian Knowledge System on 05th February 2026 at Chanakya Hall. The session was coordinated by Dr. Ganesh Shankar and Dr. Niraj Kumar Singh, with active participation from 46 students and 9 faculty members.

The lecture was delivered by Mr. Padampati Sharma, who shared valuable insights on India's rich intellectual heritage and its relevance in today's world. He explained how traditional Indian values such as truth, discipline, ethics, and responsibility continue to guide journalism, media, and communication practices. He also highlighted the wisdom found in ancient texts like the Vedas, Upanishads, and classical literature, emphasizing their importance in shaping moral and professional conduct.

The interactive session encouraged students to appreciate India's cultural heritage and understand its application in modern academic and professional fields. Students actively engaged with the speaker through thoughtful questions on journalism practices, ethics, and the role of Indian traditions in contemporary media.

The programme proved highly enriching, helping students develop a value-based perspective towards journalism and communication. It reflected IIMT College of Management's commitment to holistic education that combines academic excellence with cultural awareness and ethical learning.

# Industrial Visit

## IIMT Journalism Students Explore Future of Media at India Today AI Summit, New Delhi

The Department of Journalism and Mass Communication at IIMT Group of Colleges proudly marked a memorable achievement as students attended the prestigious India Today AI Summit at Hyatt Regency. The summit gave students firsthand exposure to the future of media, where Artificial Intelligence is reshaping storytelling, journalism, and communication. Students explored innovative concepts such as automated content generation, data-driven

reporting, and AI-powered media tools while learning from industry experts. The visit reflected IIMT's strong commitment to experiential learning and preparing future journalists for the rapidly evolving digital media world.

---

## IIMT BJMC Students Gain Live Newsroom Experience at Aaj Tak Studio Visit, Noida

Students of the BJMC department at IIMT Group of Colleges visited the Aaj Tak studio at Film City for an enriching industry visit. Around 50 students gained valuable firsthand exposure to television news production, newsroom operations, and prime-time debate formats at one of India's leading news channels.

During the visit, students witnessed the live recording of Halla Bol hosted by Anjana Om Kashyap. They also observed studio anchoring, panel coordination, camera handling, and live debate management. Students interacted on current affairs topics, making the session both informative and engaging.

# GUEST LECTURE

## IIMT Journalism Department Hosts Guest Lecture on AI & Prompting Techniques

The Department of Journalism & Mass Communication at IIMT College of Management successfully organized an engaging guest lecture on AI & Prompting Techniques. The session was delivered by Mr. Manoj Tripathi, who shared valuable insights into the growing impact of Artificial Intelligence in today’s digital world.

Students gained practical knowledge about AI tools, effective prompting methods, and how technology is transforming content creation, journalism, media production, and digital communication. The lecture also encouraged students to develop future-ready skills and adapt to changing industry trends.

The event reflected IIMT College of Management’s commitment to innovation, practical learning, and preparing students for successful careers in the modern media industry.

## IIMT Commerce Department Hosts Guest Lecture on IPR Protection and Start-up IP Management

The Department of Commerce at IIMT College of Management successfully organized a guest lecture on Protecting IPR and IP Management for Start-ups on 17th April 2026 from 11:00 AM onwards. The session was coordinated by Ms. Vijaya Sinha and Ms. Arti Raghav, with enthusiastic participation from 87 students and 2 faculty members.

The lecture was delivered by Ms. Archita Jha, an expert in mergers & acquisitions, tech law, and dispute resolution. She provided valuable insights into the importance of Intellectual Property Rights (IPR) for modern businesses and start-ups, where innovation plays a crucial role in success.

During the session, students learned about patents, trademarks, copyrights, trade secrets, and the legal protection of ideas, brands, and business models. Through practical examples and case discussions, the speaker explained how effective IP management can increase business value, reduce legal risks, and attract investors. She also highlighted the role of compliance and due diligence in sustainable business growth.

# ALUMNI CONCLAVE

## IIMT Journalism Department Organizes Grand Alumni Conclave Inspiring Future Media

The Department of Journalism & Mass Communication at IIMT College of Management successfully organized a grand Alumni Conclave, bringing together former students for an inspiring and memorable interaction with current learners. The event created a vibrant platform where alumni reconnected with their alma mater and shared their professional journeys, achievements, and valuable industry experiences. During the conclave, alumni spoke about their transition from classrooms to successful careers in media, journalism, corporate sectors, and other professional fields. Their stories of hard work, determination, and growth motivated students to pursue their goals with confidence and dedication. They also shared practical insights about industry trends, career opportunities, and the importance of continuous learning in a competitive world.

The interactive session allowed students to engage directly with alumni, ask questions, and gain guidance about career planning, skill development, and professional challenges. The discussions proved highly encouraging for aspiring media professionals. The Alumni Conclave reflected IIMT College of Management's strong commitment to nurturing lifelong connections and creating opportunities for mentorship, inspiration, and academic growth. The event concluded on a positive note, filling the campus with pride, motivation, and the spirit of success.

# DEPARTMENTAL ACTIVITIES

## IIMT Graphic Designing Club Hosts Canva Competition on Smart Villages, Strong Nation

The Graphic Designing Club of IIMT College of Management successfully organized an exciting Canva Competition on the theme Smart Villages, Strong Nation. The event provided a creative platform for

students to showcase their designing skills while expressing ideas about India's rural development and transformation. Participants created impressive visuals using innovation, imagination, and meaningful storytelling to highlight the importance of smart villages in building a stronger nation. Through vibrant posters and impactful concepts, students reflected themes such as digital empowerment, sustainable growth, modern infrastructure, education, and self-reliant communities. The competition encouraged students to think creatively about social progress while sharpening their graphic designing and

communication skills. It also inspired them to use design as a powerful medium for awareness and positive change. The event reflected IIMT College of Management's commitment to promoting creativity, innovation, and student talent through engaging academic and co-curricular activities.

## IIMT MBA CSR Club Organizes Debate Competition on Financial Literacy and Economic Growth

The Department of MBA - CSR Club at IIMT College of Management successfully organized an engaging Debate Competition on the theme "Financial Literacy is the Key to Individual and National Economic Growth." The event provided students with an excellent platform to express their views on one of the most important aspects of modern society. Participants presented insightful arguments on how financial literacy empowers individuals to make informed decisions regarding savings, investments, budgeting, and entrepreneurship. They also highlighted its broader impact on national development through economic stability, increased productivity, and responsible financial behavior.

The competition encouraged critical thinking, public speaking, and analytical skills while creating awareness about the importance of financial education in daily life. Students actively participated with confidence, enthusiasm, and well-researched perspectives.

# Bharat Express News Channel Hosts Live Recording of “Kya Sochta Hai Bharat” at IIMT Greater Noida

IIMT Group of Colleges had the distinct honour of hosting Bharat Express News for the live recording of its widely followed programme Kya Sochta Hai Bharat on campus. The prestigious event converted the campus into a dynamic media arena, creating an atmosphere of excitement, learning, and professional engagement for students and faculty alike.

The programme witnessed enthusiastic participation from more than 50 students of the Bachelor of Journalism and Mass Communication (BJMC) department, who confidently expressed their opinions on significant national issues. Their articulate responses, analytical thinking, and command over communication demonstrated the quality education and practical training imparted by the institution. The event provided students with an invaluable opportunity to become active contributors to a national media platform.

Students also received firsthand exposure to the functioning of a professional television newsroom. They closely observed live camera operations, production management, anchoring style, audience coordination, lighting setup, scripting flow, and real-time editorial decision-making. Watching a live programme unfold before them helped students understand the discipline, teamwork, and technical precision required in broadcast journalism.

# IIMT Hosts Insightful Guest Lecture on Machine Learning, TRL and MRL at Chanakya Hall

IIMT College of Management successfully organized a guest lecture on \*Machine Learning, TRL and MRL\* on 23rd March 2026 at Chanakya Hall. The session witnessed enthusiastic participation from 74 students and 6 faculty members.

The lecture was delivered by Mr. Tanay Kishore Mishra, who shared valuable insights into machine learning concepts, industry applications, and the importance of Technology Readiness Level (TRL) and Manufacturing Readiness Level (MRL) in transforming ideas into real-world solutions. He explained how these frameworks help in innovation, risk reduction, and large-scale implementation.

The interactive session helped students connect theoretical knowledge with practical industry practices and inspired them to explore future opportunities in technology and innovation. The event reflected IIMT College of Management’s commitment to skill-based and future-ready education.

# IIMT Organizes Guest Lecture on Start-up Legal and Ethical Steps for BCA Students

IIMT College of Management successfully organized an insightful guest lecture on Start-up Legal and Ethical Steps on 09th March 2026 from 11:30 AM onwards. The session was coordinated by Ms. Shallu Bains along with the activity team, and witnessed enthusiastic participation from 137 students and 6 faculty members. The lecture was delivered by Dr. Naveen Rathor, who shared valuable insights into the legal and ethical foundations required to build a successful start-up. He explained important aspects such as company registration, intellectual property protection, founder agreements, taxation compliance, and regulatory responsibilities for new ventures. The speaker also emphasized the importance of ethical business practices, including transparent accounting, responsible fundraising, fair employee treatment, honest marketing, and customer data protection. Through practical examples, he highlighted how strong legal and ethical frameworks help startups gain investor trust, reduce risks, and achieve sustainable growth. The interactive session inspired students to think entrepreneurially and understand how innovative ideas can be transformed into successful businesses through proper planning and responsible leadership. It also provided valuable career guidance for aspiring entrepreneurs and future business leaders.

# IIMT Journalism Department Organizes Guest Lecture on AI & Prompting Techniques for Future Media Professionals

IIMT  
COLLEGE OF MANAGEMENT

GUEST LECTURE ON  
**AI & PROMPTING TECHNIQUES**

Guest Speaker  
**Mr. Manoj Tripathi**  
ADiRA Certified Trainer

Tuesday, 17<sup>th</sup> March 2026  
10:00 AM Onwards  
Chanakya Hall

www.iimtindia.net

The Department of Journalism and Mass Communication at IIMT College of Management, Greater Noida organized an insightful guest lecture on “AI & Prompting Techniques” on March 17, 2026, at Chanakya Hall. The session aimed to familiarize students with the growing role of Artificial Intelligence in modern media and communication.

The expert speaker delivered an engaging and practical session, explaining the fundamentals of AI and emphasizing the increasing importance of prompt engineering in generating accurate and meaningful outputs. Through live demonstrations and real-world examples, students were introduced to various AI tools and their applications in content creation, news writing, research, and digital storytelling.

The lecture witnessed enthusiastic participation, with students actively engaging in discussions and hands-on activities. They learned how to design effective prompts to enhance the quality of AI-generated content. The speaker also highlighted the transformative impact of AI

on journalism, particularly in speeding up workflows and enabling innovative storytelling formats.

A significant part of the session was dedicated to the ethical dimensions of AI usage. Students were sensitized to issues such as accuracy, bias, misinformation, and the importance of responsible journalism while using AI tools. The discussion reinforced the need for maintaining credibility and authenticity in the digital age.

## Learning Outcomes:

Students developed a strong understanding of AI and its relevance in journalism and mass communication. They learned the basics of prompt engineering and gained practical exposure to AI tools for writing, editing, and research. The session also enhanced their ability to critically evaluate AI-generated content and understand its role in audience engagement and media innovation. Importantly, students became aware of ethical concerns and acquired future-ready skills essential for navigating the evolving digital media landscape. Overall, the lecture proved to be highly informative and enriching, equipping students with the knowledge and skills required to adapt to the future of journalism

# IIMT BJMC Students Shine at Shabotsav Literature Festival in New Delhi

More than 60 students from the Bachelor of Journalism and Mass Communication (BJMC) Department of IIMT College of Management proudly participated in the prestigious Shabotsav Literature Festival held at Major Dhyan Chand Stadium from January 2 to January 4. The three-day literary and intellectual gathering became a proud chapter in the institution's journey of academic excellence as students represented their college with remarkable confidence, enthusiasm, and talent. Their active involvement in such a nationally recognized platform reflected the growing academic culture of awareness, debate, creativity, and leadership nurtured within the institution.

The festival offered students an exceptional opportunity to step beyond the classroom and immerse themselves in a vibrant environment of ideas, dialogue, and intellectual exchange. It brought together scholars,

policymakers, youth leaders, artists, and students from different institutions, making it a unique platform for learning and inspiration. For the BJMC students, the event was not merely an excursion—it was an enriching educational experience where theory met practice and learning extended into the real world.

One of the proudest highlights of the participation was the outstanding performance of IIMT students in various quiz competitions. Competing against talented participants from different institutions, they displayed strong general awareness, quick thinking, teamwork, and analytical ability. Their victories in the competitions reflected not only their academic preparation but also their dedication to excellence. These achievements brought pride to the institution and demonstrated that IIMT students are capable of performing successfully on competitive national platforms.

Apart from competitions, students made their presence felt in thought-provoking discussions and panel sessions on issues of national and global significance. Topics such as cultural nationalism, national security, geopolitical challenges, and India's demographic dividend encouraged participants to think critically and engage meaningfully with the changing realities of the world. BJMC students participated with confidence, raising thoughtful questions, sharing opinions, and listening carefully to expert viewpoints. Their involvement highlighted the communication skills, awareness, and intellectual maturity expected from future media professionals.

The discussions on cultural nationalism offered students a deeper understanding of India's civilizational identity, traditions, and the role of culture in shaping national consciousness. Sessions on national security broadened

their awareness regarding internal and external challenges, strategic preparedness, and the importance of informed citizenship. Conversations on geopolitical developments helped students understand India's place in the global order, diplomatic relations, and emerging international trends. Meanwhile, the theme of India's demographic dividend inspired students to reflect on the power of youth in nation-building, innovation, and economic progress.

A major attraction of the festival was the opportunity to hear distinguished speakers whose words left a lasting impact on the students. Among them was Prof. Sudhanshu Trivedi, whose insightful address combined historical perspective, contemporary relevance, and powerful articulation. His thoughts on governance, culture, and national development deeply resonated with young listeners. Students admired his ability to present complex issues with clarity and conviction, making the session highly memorable.

Another enriching interaction came through Raj Shukla, whose guidance inspired students to think seriously about leadership, public service, and personal discipline. His words offered practical wisdom regarding career growth, decision-making, and the importance of staying informed in a rapidly changing world. For many students, listening to such experienced personalities became a motivating moment that broadened their career aspirations and confidence.

The cultural dimension of the festival added equal excitement and joy to the overall experience. Students were

# Star Placements

I would like to extend my heartfelt gratitude to the college management, placement cell, and all the faculty members for their continuous support and guidance throughout my academic journey. I am truly thankful for the excellent placement opportunities provided, which have helped me take a confident step toward my professional career. The training sessions, mock interviews, resume-building workshops, and constant motivation played a crucial role in preparing me for the placement process. I feel

proud and fortunate to be a part of an institution that is so committed to the success of its students. Thank you once again for shaping my future and giving me the platform to begin a new chapter in my life with confidence and clarity.

# NCC NATIONAL CADET CORPS

The NCC cadets of IIMT Group of Colleges, Greater Noida, once again demonstrated their commitment to social responsibility by organizing a powerful awareness campaign focused on de-addiction and cleanliness. With enthusiasm and discipline, over 40 cadets actively participated in this meaningful initiative aimed at inspiring positive change in society.

The campaign began with an energetic rally across the college campus, where cadets raised impactful slogans promoting a drug-free and clean environment. Their spirited participation reflected unity, leadership, and a deep sense of civic duty. The rally further proceeded to the 31st UP Girls Battalion Unit and extended to the slum area of Kasma, Greater Noida, where the cadets staged an engaging street play to connect directly with the local community.

Through this initiative, the cadets effectively conveyed the message that cleanliness is not limited to our homes but is a collective responsibility toward our surroundings and environment. The event not only spread awareness but also strengthened the values of service, discipline, and community engagement among students, reinforcing NCC's motto of selfless service to the nation.
