DIRECTOR'S MESSAGE

Dr. Poonam Pandey
Director

IIMT College of Science & Technology
Editor-In-Chief

Education is meaningful when it inspires us to question, create, and contribute. At IIMT College of Science & Technology, we strive to nurture an environment where learning extends beyond classrooms and every experience becomes an opportunity for growth.

This edition of our quarterly newsletter reflects that spirit. It brings together the initiatives, ideas, and accomplishments that have shaped our academic community, while reminding us that progress is measured not only by outcomes but also by the values we uphold and the impact we create.

As you turn these pages, I hope you find not just a record of events, but a reflection of our collective commitment to excellence, innovation, and lifelong learning. My sincere appreciation goes to every student, faculty member, and staff member whose dedication continues to strengthen our institution.

May this edition inspire us to keep learning, evolving, and creating opportunities that make a meaningful difference.

Editor's Desk

“Every edition tells a story not just of what we accomplished, but of who we are becoming.”

In the pace of academic life, meaningful moments often pass before we have the chance to reflect on them. This newsletter offers that pause a space to look back, acknowledge progress, and appreciate the people whose dedication quietly shapes our institution every day.

Each edition is more than a chronicle of activities; it is a reminder that learning is enriched by participation, collaboration, and the willingness to explore beyond the expected. As you turn these pages, I hope you find not only accomplishments but also the spirit that binds our academic community together.

My sincere gratitude to everyone who contributed to this edition. Your efforts have transformed a collection of events into a narrative worth preserving.

BEST OUT OF WASTE COMPETITION

SUSTAINABLE INNOVATION

"From ordinary moments to extraordinary shifts, everything can transform in the blink of an eye."

"When time shifts, the world transforms."

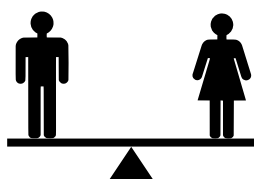

The Environment Club of IIMT College of Science & Technology, Greater Noida, organized a 'Best Out of Waste' Competition on 13th April 2026 to encourage creativity and environmental responsibility among students. The event witnessed enthusiastic participation as students transformed discarded materials into innovative and useful creations, demonstrating that waste can be repurposed into valuable resources.

The exhibits showcased artistic excellence, originality, and practical utility while reinforcing the importance of recycling and sustainable living. The competition served as an engaging platform to spread awareness about waste management and inspire eco-friendly practices among students. The initiative reflected the institution's commitment to fostering environmental consciousness and encouraging young minds to contribute towards a greener and more sustainable future.

GENDER EQUALITY IN DIGITAL AGE

Debate & Discussion

LITERARY CLUB

The **Literary Club** of IIMT College of Science & Technology, Greater Noida, organized a thought-provoking Debate and Discussion on the theme "**Gender Equality in the Digital Age**" on 15th April 2026. The event brought together enthusiastic students who shared diverse viewpoints on gender inclusivity, digital empowerment, equal opportunities, online safety, and the role of technology in shaping a more equitable society.

Participants presented well-articulated arguments, supported by contemporary examples, making the session both engaging and intellectually enriching. The interactive discussion encouraged critical thinking, respectful dialogue, and effective communication while fostering greater awareness of gender-related challenges and opportunities in the digital era.

The event concluded with an appreciation of the participants for their insightful contributions and reinforced the importance of building an inclusive, responsible, and digitally empowered society.

**Perspectives
&
Expressions**

The Department of B.Sc. (Computer Science) at IIMT College of Science & Technology, Greater Noida, organized "Mind Spark", a Technical Quiz Competition, on 8th April 2026.

"Knowledge grows when curiosity is challenged."

"Learning is not about knowing all the answers, but asking better questions."

The event witnessed enthusiastic participation from students, who competed across multiple rounds designed to assess their technical knowledge, logical reasoning, problem-solving abilities, and awareness of recent developments in the field of Information Technology.

The competition provided an engaging platform for students to challenge their intellect, strengthen conceptual understanding, and cultivate a healthy spirit of competition. Through a blend of learning and excitement, Mind Spark encouraged participants to think critically, stay updated with emerging technologies, and showcase their technical acumen.

The event concluded with the felicitation of the winners and appreciation for all participants, reaffirming the department's commitment to promoting academic excellence, innovation, and continuous learning.

PROTOTYPE PROCESS DESIGN

The Department of B.Sc. (Computer Science), in collaboration with the Institution's Innovation Council (IIC) and IIMT Ladder Business Foundation, organized an insightful workshop on "Product Market Fit, Prototype Process Design & MVP Development" on 23rd March 2026. The session was conducted by **Mr. Viplav Pathak**, Assistant Professor, IIMT University, who shared practical insights into transforming innovative ideas into viable products and successful entrepreneurial ventures.

The workshop introduced students to the fundamentals of identifying market needs, designing effective prototypes, and developing a Minimum Viable Product (MVP) as the first step towards product validation. Through real-world examples and interactive discussions, participants gained valuable exposure to the startup ecosystem, innovation strategies, and product development lifecycle.

The session inspired students to think entrepreneurially, validate their ideas systematically, and explore innovation-driven solutions for real-world challenges, reinforcing the institution's commitment to fostering creativity, innovation, and startup culture.

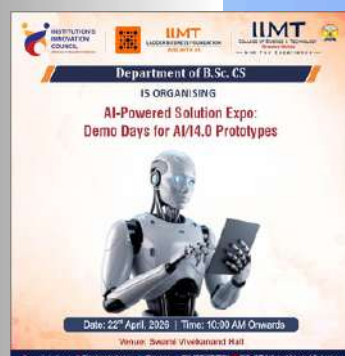

"Every successful product begins with understanding a real problem."

Innovation & Entrepreneurship Activities

From April to June 2026, the IIC Cell of IIMT College of Science and Technology conducted a series of expert sessions, hackathons, and idea showcases focused on innovation, entrepreneurship, Design Thinking, Prototype, Atmanirbhar Bharat etc. These initiatives aimed to equip students with startup skills, creative thinking, and a deeper understanding of how to turn ideas into impactful ventures. Through interactive discussions and hands-on activities, the sessions equipped students with the skills and vision needed to explore startup opportunities, develop entrepreneurial thinking, and contribute to a growing culture of innovation within the campus.

Farewell PARTY Departure Delights

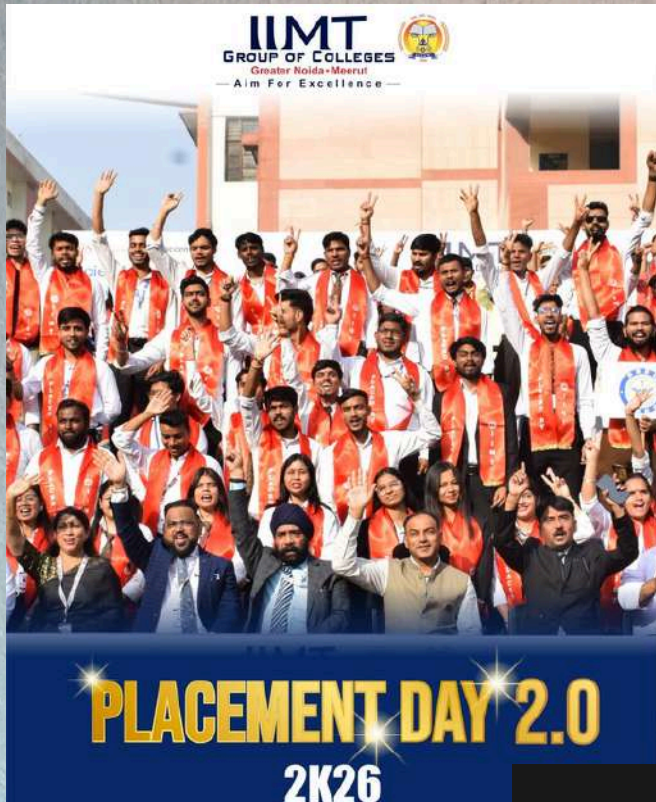

The Department of **B.Sc. (Computer Science)** at IIMT College of Science & Technology, Greater Noida, organized a vibrant Farewell Party on 30th May Departure Delights to bid a heartfelt farewell to the outgoing Batch of 2023–2026. The celebration was filled with cultural performances, fun-filled activities, games, and heartfelt moments as juniors expressed their gratitude and best wishes to their seniors.

A special highlight of the event was the Mr. & Ms. Farewell contest, where **Mr. Priyanshu Raj** was crowned **Mr. Farewell**, while **Ms. Shikha** was honoured with the title of **Ms. Farewell** for their confidence, personality, and charismatic presence.

The event concluded on an emotional yet joyful note, celebrating friendships, cherished memories, and the beginning of new journeys for the graduating students.

Placement Day 2.0 was celebrated on 12th April 2026 at IIMT Group of Colleges, Greater Noida, recognizing the outstanding placement achievements of IIMTians. The event highlighted the institution's impressive placement record, with 2,000+ placement offers, 250+ leading recruiters, and salary packages of up to ₹20 LPA.

The celebration applauded the dedication and success of the placed students while reaffirming IIMT's commitment to fostering industry-ready professionals and creating exceptional career opportunities.

BLOOD DONATION CAMP

Every Drop Counts, Every Life Matters

"The greatest gift one can give is the gift of life. Every blood donor is a silent hero whose kindness flows beyond a single moment."

IIMT Group of Colleges, Greater Noida, in collaboration with the Rotary Club Greater Noida, successfully organized a Blood Donation Camp on 23rd April 2026. The initiative witnessed enthusiastic participation from students, faculty members, and staff, who came forward to contribute towards this noble cause.

The camp aimed to promote voluntary blood donation and raise awareness about its vital role in saving lives. Every donor exemplified compassion, social responsibility, and the spirit of community service by extending a helping hand to those in need.

The college extends its heartfelt gratitude to the Rotary Club Greater Noida for their valuable collaboration and to all the generous donors whose selfless contribution reaffirmed that a single act of kindness has the power to make a life-saving difference.

Star Night 2026: A Musical Extravaganza

"One Stage.
Thousands of Smiles.
Countless Memories."

Star Night, held on 29th April 2026 at IIMT Group of Colleges, Greater Noida, was an evening of music, excitement, and celebration. Renowned Punjabi singer Sunanda Sharma enthralled the audience with her energetic performance and chart-topping hits, leaving students mesmerized. The event created unforgettable memories and perfectly reflected the vibrant spirit of campus life.
