A BI-ANNUAL PUBLICATION OF

MCA

DEPARTMENT

Volume XVI Issue 10 April – June 2026

From Chief Editor's Desk

Dr. Naveen Kumar Sharma
HOD MCA

Dear Readers,
It is my privilege to present the April–June 2026 edition of the Department of MCA Newsletter. This issue highlights the remarkable academic progress, innovative initiatives, and active participation of our students and faculty in a wide range of academic, technical, and co-curricular activities conducted during the quarter.

I sincerely appreciate the unwavering dedication of our faculty members in delivering quality education and mentoring our students. I also congratulate our students for their commitment, perseverance, and outstanding achievements. Their enthusiasm and continuous efforts have significantly contributed to fostering a vibrant and progressive learning environment within the department.

As we approach the completion of the even semester, I encourage every student to remain committed to academic excellence, project development, research, and continuous skill enhancement. The knowledge, practical exposure, and experiences gained during this period will serve as a strong foundation for your professional growth and future success.

I extend my best wishes to our students, faculty members, alumni, and all our well-wishers for good health, happiness, and continued achievements. I hope this edition of the newsletter reflects the spirit of learning, innovation, and excellence that defines our department and motivates everyone to pursue greater accomplishments in the future.

ALUMNI CONCLAVE:

“ Guiding Students Towards Becoming Industry-Ready Tech Professionals”

The Department of MCA organized an Alumni Conclave to provide students with valuable industry insights and career guidance. The session was delivered by Mr. Alok Nandan, an alumnus of the 2015–17 MCA batch and a Full Stack Developer at Indovision Services Private Limited.

During the session, Mr. Nandan shared his professional journey and expressed the importance of technical expertise, continuous learning, and industry-relevant skills. He encouraged students to stay updated with emerging technologies, enhance their practical knowledge, and develop the competencies required to build successful careers in the IT industry.

Glimpses of the Event

EVENT ON: "WORLD INTELLECTUAL PROPERTY DAY"

The Institution's Innovation Council (IIC) and the Department of MCA organized a special session on **World Intellectual Property Day** to enhance students' understanding of intellectual property rights and their importance in innovation and entrepreneurship. The session was delivered by **Mr. Sachin Sharma, Assistant Professor, IIMT College of Law.**

During the session, Mr. Sharma explained the fundamentals of patents, copyrights, trademarks, and other forms of intellectual property protection. He highlighted the significance of safeguarding original ideas, research, and creative work while encouraging students to develop an innovative mindset and contribute responsibly to the knowledge-driven economy. The session provided valuable legal awareness and motivated participants to recognize the role of intellectual property in academic and professional success.

Glimpses of the Event

SESSION ON : "START-UP LEGAL & ETHICAL STEPS"

The Institution's Innovation Council (IIC) and the Department of MCA organized an expert session on **"Start-Up Legal & Ethical Steps"** to familiarize students with the legal and ethical aspects of building a successful startup. The session was delivered by **Mr. Aritra Chakraborty, Managing Director, Triostack Technologies Private Limited.**

The speaker discussed the essential legal requirements for launching a startup, including business registration, intellectual property protection, regulatory compliance, and ethical business practices. He also highlighted the importance of transparency, responsible entrepreneurship, and informed decision-making. The session provided practical insights into the startup ecosystem and inspired students to pursue entrepreneurial ventures.
