About The IIMT College of Pharmacy

The IIMT College of Pharmacy was founded in 2006 as part of the IIMT network of institutions, and it has earned a stellar reputation for providing high-quality education to diploma, graduate, and post-graduate students in the Delhi NCR region. A large number of outstanding students who have graduated from the college have proven to be a benefit to the healthcare and pharmaceutical industries.

We are always striving to instill excellent pharmaceutical knowledge in our students via the use of outcome-oriented, in-depth, and dynamic teaching methodologies. Our institution's amazing classroom techniques and cutting-edge facilities ensure that they receive the best hands-on training possible. Our importance in recruiting competent and experienced academic personnel as well as modern infrastructure had also led to our students' remarkable achievement

About the Conference

The IIMT College of Pharmacy from Director Desk enthusiastically announces and welcomes you to its “**Collaborative Event**” **3rd International Conference on Cutting Edge Technologies (ICTGH-2025), On "Transforming Global Health: Therapeutic Breakthroughs & Global Health Impact Pioneering Advances for A Healthier World."** On **10th-11th April, 2025**, with the visionary purpose of bringing togetherness in Pharma Experts, Researchers, Scientific Publisher, Scientists, and Industry Representatives. The Hybrid mode platforms allow you to interact and network with individuals all around the world to improve involvement and engagement. With innovations in pharmacy and technology presentations, interactive sessions, poster sessions, and visionary keynote addresses by executives from industry and academia in this conference is geared to maximize cooperation and innovation. Join us at **3rd International Conference on Cutting Edge Technologies (ICTGH-2025)** to meet scientists from all around the Bharat & world and learn how pharmaceuticals develop with problems to solutions from the lab to the market.

Guidelines for Abstract Submission

The delegates are requested to submit their abstract via an email to **eventpharma_gn@iimtindia.net** on or before **31st March 2025**. Abstract from **research and reviews** will be accepted. The abstract should not be exceeding **250 words** and should be prepared in font **Times New Roman**. Title should be bold case (**font size 14**) along with full names of authors followed with their affiliation in normal font (**font size 12**). The presenting author name should be bold and marked with asterik along with email address. It is mandatory for the presenting author to be registered for the conference.

Guidelines for Poster Presentation

The poster size should be divided into following sections: **introduction, materials and methods, result, discussion, conclusion and reference**. **Standard Poster size** should not be exceeding **75-80 × 110-115 cm**.

Guidelines for Online / Offline Presentation

Each Power Point Presentation should have **maximum 15 - 20 slides** to present their work. INTERNATIONAL CONFERENCE (SHORT OBJECTIVES)

PHARMACEUTICS

1. Novel Drug Delivery System
2. Micro and Nano-Technologies in Drug / Dosage form Designing
3. Pre-Probiotics Roles In World Health Management
4. Pharmaceuticals & Food Technology
5. Biopharmaceutics, Pharmacokinetic and Drug Metabolism
6. Quality Assurance in Pharmaceuticals & Food Analysis
7. Drug Regulatory Affair for Product Quality Safety Efficacy
8. Optimization Techniques used in Pharmaceutical Industries
9. Method Developments on Analytical Tools

PHARMACEUTICAL CHEMISTRY

1. Novel Analytical Approach to Analyze the Pharmaceuticals
2. Novel Method to Synthesize Therapeutically active Molecules
3. CADD-Computer Aided Drug Designing
4. QSAR- Quantitative Structure Activity Relationship
5. Drug Repurposing of Chemical entity
6. Synthetic Breakthroughs Enabling Innovations in Medicinal Chemistry
7. AI- Artificial Intelligence Tools in Pharmaceutical Sciences
8. Medicinal & Food Chemistry

MICROBIOLOGY & BIOTECHNOLOGY

1. Food and Pharmaceutical Microbiology and Biotechnology
2. Viral Infections and Severity
3. Fungal Infections and their Severity
4. Bacterial Infections and their Severity
5. Pathogenesis by microbes
6. Recombinant DNA Technologies and recent advancements
7. Proteonomics

PHARMACOGNOSY & PHYTOCHEMISTRY

1. Isolation and Determination of Therapeutically active Constituents
2. Identify the Therapeutically Active Medicinal Plants Through Photo-screening
3. Screening of Medicinal Plants through Novel Technologies
4. Novel Methods to Isolate & Identify Active Photo-constituents
5. Pharmacognosy, Herbal Formulations & Phytochemistry

PHARMACOLOGY /NURSING /HOSPITALITY/DIAGNOSIS/ PHARMACOVIGILANCE

1. Anti-microbial Resistance the new challenge of twenty one century
2. New Era to Pharmacology
3. Pharmacogenomics
4. Community Pharmacoeconomics
5. Biosensing Technologies & their applications in diagnosis
6. Solicited and Unsolicited ADR'S Reporting for Social Welfare
7. Hospitality and Nosocomial Infections
8. Epidemiological Burdens of Communicable Disease in India
9. Pharmacovigilance need and future visions

PHARMACY EDUCATION, LAW & ETHICS IN PROFESSIONAL PHARMACY

1. Pharmaceutical Education and Professional Pharmacy
2. Professional Ethics & Law in Pharmacy
3. Intellectual Property Rights (Patent & Trade Marks)
4. Technology Transfers & Inventors Right
5. Scale-up Techniques roles in Legal Technology Transfer
6. Food & Drug Administration (FDA)
7. Pharmacopoeia Commission (IP/BP/USP/ORANGE BOOK)
