

Memorandum of Understanding
between
Vilnius Gediminas Technical University
and
IIMT College of Engineering

1. Preamble

Vilnius Gediminas Technical University (VILNIUS TECH) in Vilnius, Lithuania, and IIMT College of Engineering in Greater Noida, India, wishing to enhance relations between the two institutions and seeking to develop academic and cultural interchange in the areas of education, research, and other activities, agree to cooperate and work together and sign the following Memorandum of Understanding (MoU).

2. Areas for collaboration

Based on the principles of mutual benefit, both institutions plan to implement the following activities:

- (a) Direct admission to Master's degree studies;
- (b) Exchange of students;
- (c) Exchange of academic and research staff members;
- (d) Joint curriculum development;
- (e) Joint research projects and publications;
- (f) Participation in conferences (including online), symposiums, short courses and scientific workshops;
- (g) Publication of scientific articles in periodicals of both Parties;
- (h) Exchange of scientific materials, publications and information.

3. Implementation of MoU

The Memorandum of Understanding shall not provide any mutual financial settlements. The Parties undertake to explore the possibilities of funding necessary for the implementation of cooperation in accordance with the national and institutional regulations and procedures.

This MoU shall be effective upon approval by both parties and shall remain in effect for three (3) years. Either party may terminate it with one year's notice given in writing, and it may be extended by mutual agreement expressed by a written memorandum of understanding. Any agreement termination shall not affect the obligations already in progress prior to such termination.
