

Library Audit Report 2023

Library Audit Report 2022-23

Libraries continue to be critical re-source and eco-system of academic activities for scholars and students. This is the reason why the first internal quality audit has focused on libraries. This report collects and presents a summary of basic data of our library system. The library audit of the service and facilities of the college library was conducted by the library verification committee during August 2023.
