"Five Days Workshop on Knowledge Sharing at Workplace"

We believe that the world's biggest programming is life programming. Formulating & transforming the mind of a learner is innovative programming to receive and store the communicating data into the memory of the learner.

In this regard, Internal Quality Assurance Cell (IQAC), & ISTE, IIMT Greater Noida has organized a workshop on "Knowledge sharing at workplace" dated 19th Feb, 2024 to 23rd Feb, 2024.

Purpose of the workshop was to share the knowledge/experience of individual interested employees among open gatherings.

Director sir discussed about sincerity and passion on the work assigned. He gave valuable suggestions to the participants using various examples of best practices that should be accepted. Human being is designed in such way that he/she can transform him/herself in the required manner.

After the address by Director sir, all the speakers presented and shared their thoughts/best practices. Prof. (Dr.) Seema Nayak, Head ECE department shared his views on the topic "Teaching Learning & Evaluation". She discussed about the importance of Teaching Learning process and give valuable ideas to improve the feedback system. She stated that knowledge can be taken from anyone at any time/place.

The next speaker, Dr. Jay Singh, Professor, EEE Department shared his thoughts on the topic "Emotions Management and Work-Life Balance". In his address he talked about the work life balance. He emphasized to balance your life by giving your valuable time to work, family, friends, health & spiritualty. He said that accept the circumstances to bring out the emotions leading to a peaceful mind. Then, Dr. Rashi Baliyan, Assistant Professor, MBA discussed about "Shoppable Content". She discussed about new and modern ways working that uses technology transformation adapted by various companies to improve their marketing strategy.

Dr. Shalini Singh, Assistant professor, Applied Science and Humanities Department discussed about "Ameliorate Workspace with Compassion".

Dr. Pankaj Goel, Associate Professor , Applied Science and Humanities Department shared the his profound knowledge about "Examination and Attendance". He gave suggestions for best examination practices.
