ABOUT THE EVENT: - The “Five Days FDP Programme” from the 9th of January, 2024 to 13th of January, 2024 workshop was organised for all the faculty members by IIMT College of Polytechnic, Greater Noida under the aegis of IQAC Cell, from 10:00 AM onwards at IIMT College of Polytechnic, (Visvesvaraya Hall). The workshop is a significant motive to enhance the personality as faculty for the betterment of the organisation. It was an In-house activity & the invited speaker was from IIMT Group of colleges, Greater Noida that delivered lectures and gave knowledge about various relevant topics as per given schedule which was related with the academic & put the emphasis on personal & professional growth of individuals.

Dr. K.K Paliwal, Group Director is holding a rich experience of 27 years in Education sector and worked as an officer commanding signal wing in Indian Army (corps of signals) and higher education institutions as a Campus Director of autonomous and affiliated institutes. His last assignment was as the Campus Director at Jodhpur Institute of Engineering and Technology, Jodhpur. He has been Chairperson, Academic Council and Curriculum Development Committee. He has published more than 49 research papers / case studies in reputed International and National Journals and has supervised 03 Ph.D. Scholars and 25 PG Scholars, also wrote 02 Books on Engineering. He is a fellow and member of prestigious Professional Societies. In his session he discussed about OBE & also put the emphasis on the relevance of **Outcome-based education** that is an educational theory that bases each part of an educational system around goals (outcomes). By the end of the educational experience, each student should have achieved the goal. There is no single specified style of teaching or assessment in OBE instead, classes, opportunities, and assessments should all help students achieve the specified outcomes. The role of the faculty adapts into instructor, trainer, facilitator, and/or mentor based on the outcomes targeted.
