

## **REPORT ON ORIENTATION PROGRAMME**

### **TITLE OF THE EVENT: □□□□2K24**

#### **Purpose of the Event**

The orientation program for new students at IIMT College of Polytechnic is designed to provide a comprehensive introduction to the college environment, including academic and administrative systems. The primary purpose is to acclimate new students to college life, ensuring they understand the expectations, resources, and opportunities available to them. This program aims to create a supportive and informative start to their academic journey, fostering a sense of belonging and readiness for the challenges ahead.

#### **Objective**

1. To Introduce College Life: Familiarize new students with the college's facilities, services, and daily routines.
2. To Clarify Expectations: Provide detailed information about academic policies, assessment methods, and behavioural expectations.
3. To Facilitate Integration: Help students meet faculty, staff, and fellow students, and encourage the development of social and academic networks.
4. To Provide Resources: Inform students about available resources such as academic support, counselling services, and extracurricular opportunities.

### ABOUT THE EVENT: -

The Orientation Programme "AARAMBH 2K24" was held on 3rd September 2024, started at 10:00 AM, at the CV Raman Hall in the B-Tech Building, IIMT College of Engineering, Greater Noida. The event was organized to warmly welcome all the newly admitted students and to provide them with a comprehensive introduction to the college environment. This included an overview of both academic and administrative systems, ensuring that the students were well-equipped to begin their educational journey with confidence.

**Mr. Ankit Bhati**, Chairman of Rojgar With Ankit (RWA), served as the chief guest for the "AARAMBH 2K24" orientation program. The event also had the honour of hosting **Dr. Mitali Jaiswal**, a renowned motivational speaker, as the guest of honour. Additionally, **Mr. Pronoy Dutt**, General Manager (HR) at Uttam TOYOTA, represented the industry at the event. Alumni from various branches were also present, offering encouragement and support to the newly admitted students, further enhancing the welcoming atmosphere of the program.

The event was inaugurated with a traditional lighting of the lamp ceremony by the renowned guest and the Director of IIMT College of Polytechnic. This symbolic gesture marked the official start of the orientation program, reflecting the institution's commitment to honouring academic traditions and creating a welcoming atmosphere for new students.

The orientation program at IIMT College of Polytechnic was developed to address the transition challenges faced by new students entering higher education. Recognizing that the shift from secondary education to college can be daunting, the college implemented this program to ease the adjustment process and enhance student success.

The event commenced with a traditional lighting of the lamp by the esteemed guest and the Director of IIMT College of Polytechnic, signifying the start of the orientation with a nod to academic traditions and values. Following this, the chief guest and guest of honour were felicitated by the Director, adding a formal and respectful touch to the proceedings.

A virtual address by the Honourable Managing Director Sir was delivered, offering insights and welcoming remarks that set a tone of encouragement and aspiration for the new students. This was followed by an inspiring address from the chief guest, Mr. Ankit Bhati, who shared valuable insights and experiences with the students, aiming to motivate and prepare them for their academic journey.

Dr. Mitali Jaiswal, the guest of honour, delivered a motivational speech that encouraged students to embrace the challenges and opportunities that lie ahead. Her address focused on the resilience and determination required to navigate the struggles of life, providing the students with a perspective on overcoming obstacles and achieving their goals.

The orientation program also included interactive activities on personal development, performances by senior students, tours of the campus facilities and opportunities to meet faculty and staff. These elements were designed to ensure that students feel well-prepared and supported as they embark on their educational journey.

The program concluded with the singing of the national anthem, bringing the event to a close on a patriotic and unifying note.
