STUDENTS OVERALL FEEDBACK ON FACILITY | 2018-19 | HISTOGRAM

The histogram corresponding to summary of Students Overall Feedback on Facility is shown in Figure 1.

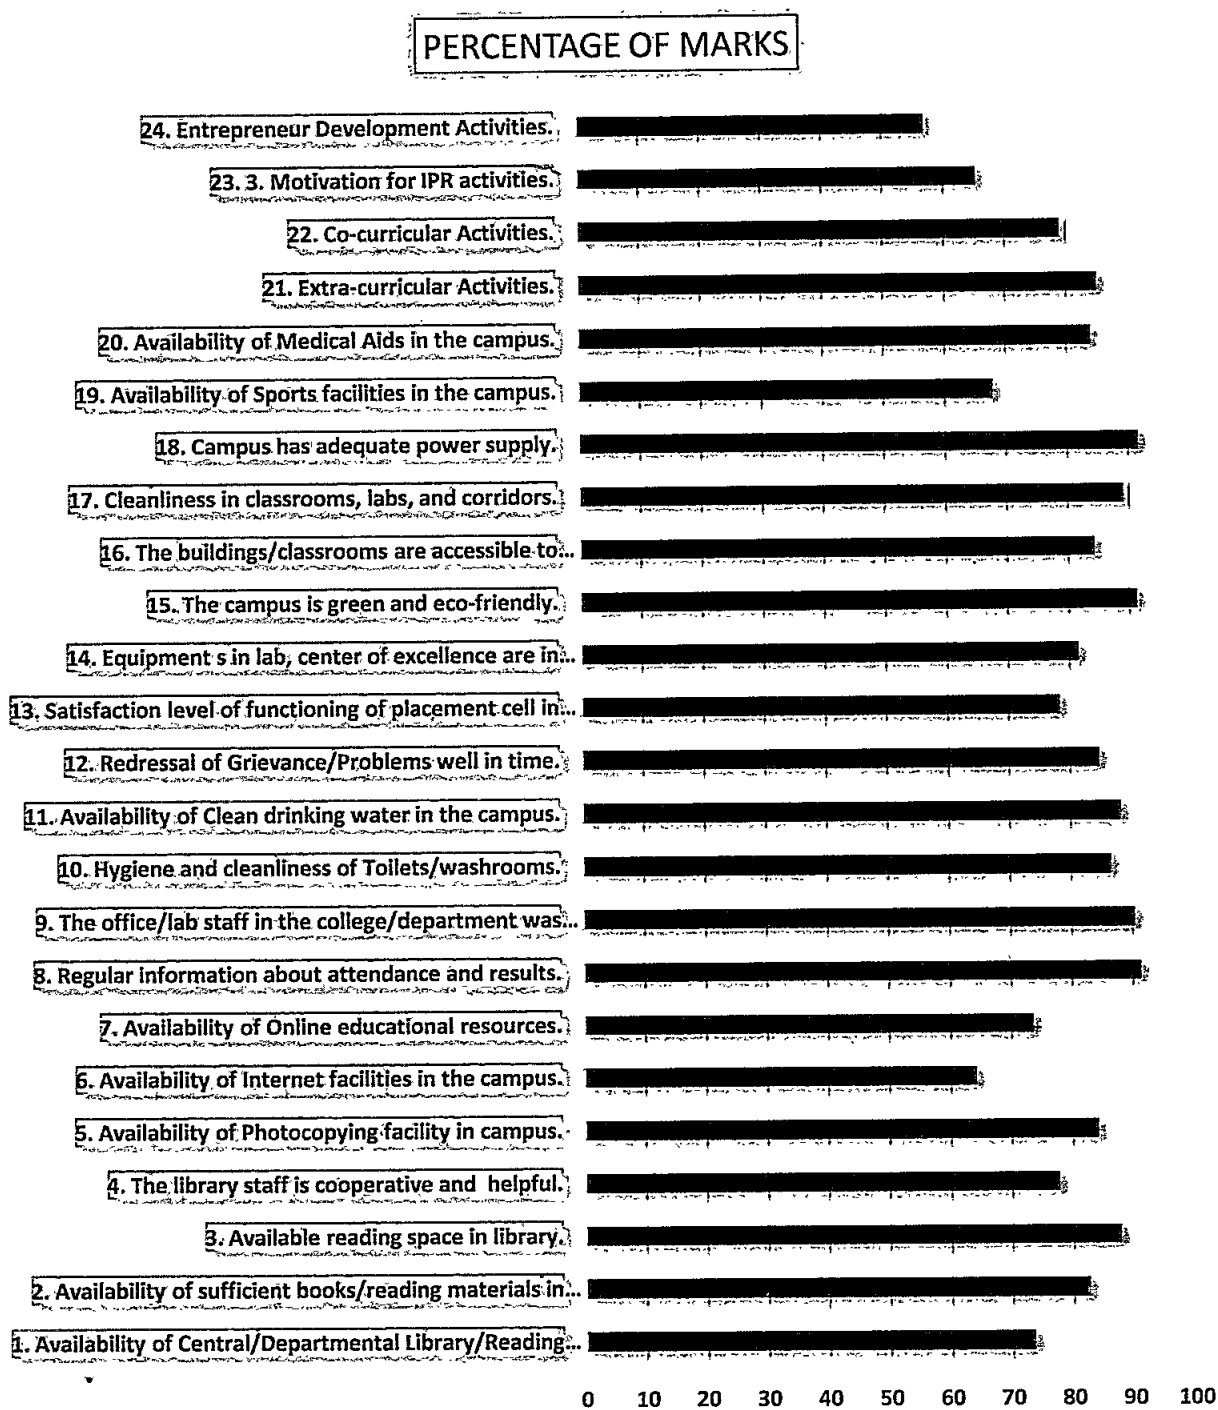

Figure 1: Students Overall Feedback on Facility in Histogram

De
10/14/19

FEEDBACK ANALYSIS:

The feedback was taken on 24 parameters and the marks of all these parameters are taken into account and percentage is calculated. The result is depicted on histogram (Figure 1). Anything above 70% is considered as satisfactory. From the result only 2 major points are identified which have scored less than 70%, which are as follows.

1. **Availability of Internet facilities in the campus.**

Currently the internet bandwidth is 70 MBPS. The current bandwidth needs to be increased to a sufficient level to fulfill all the academic needs of the students and staff.

2. **Availability of Sports facilities in the campus.**

The Institute already has the necessary infrastructure and facilities required for sports. We have courts for badminton, basketball, volleyball, and also have most of the indoor games. On further discussing with the students it was found that they want a cricket ground or a cricket pitch in the campus.

3. **Motivation for IPR activities.**

There should be more focus on IPR activities, including seminars and expert lectures.

4. **Entrepreneur Development Activities.**

More EDP to be conducted by the experts from the relevant industries.

ACTION TAKEN:

1. It has been instructed to Manager IT to increase the bandwidth to 100 MBPS in the upcoming session.
2. The sports coordinator is instructed to create the cricket pitch in the campus at a suitable location, and also to maintain properly the existing sports facilities in good condition.
3. The Director is requested to conduct the meeting with all senior faculty members of the college to motivate them to take up the projects which may lead to patent / entrepreneur / startup.

The meeting is scheduled

STUDENTS OVERALL FEEDBACK ON FACILITY | 2018-19 (ONLINE)
ACTION TAKEN REPORT

Date: 10 Apr 2019

To,
Manager IT,
IIMT College of Engineering

The existing internet bandwidth is not sufficient as per the feedback report from students taken for session 2018-19. So kindly take necessary step to increase the bandwidth to a minimum of 100 MBPS.

STUDENTS OVERALL FEEDBACK ON FACILITY | 2018-19 (ONLINE)
ACTION TAKEN REPORT

Date: 10 Apr 2019

To,

Sports Coordinator

IIMT College of Engineering

As per the feedback report taken from students for session 2018-19, there is a demand for cricket pitch. So, you are instructed to prepare the same at a suitable location. You are also required to maintain the existing sports facilities in good condition for the upcoming session.

STUDENTS OVERALL FEEDBACK ON FACILITY | 2018-19 (ONLINE)
ACTION TAKEN REPORT

Date: 10 Apr 2019

To,

Director

IIMT College of Engineering

Respected Sir,

As per the feedback report taken from students for session 2018-19, there is an observation that we must work towards strengthening entrepreneurship development activities and IPR activities. So, you are requested to conduct the meeting with all HODs and senior faculty members of the college to motivate them to take up the projects which may lead to patent / entrepreneurship / startup.
